Fighting Chance A Gregor Demarkian Novel:

Fighting Chance Jane Haddam, 2014-09-09 Gregor Demarkian grew up in the Armenian American enclave in Philadelphia known as Cavanaugh Street. Even though he left to go to college and then went on to a storied career in the famous Behavioral Science Unit of the FBI, he eventually returned to Cavanaugh Street after an early retirement. There he finds himself in a rapidly gentrifying urban neighborhood that still retains some of the friends, institutions, and flavor of the immigrant neighborhood he grew up in. Among them is his best friend Father Tibor Kasparian, the parish priest of the local Armenian Orthodox church, probably the most genuinely gentle soul that Demarkian has ever met. When Father Tibor is then arrested on murder charges, it tears at the very foundation of Demarkian's world. While Gregor has very strict rules about for whom and under what conditions he will consult, all those rules go by the wayside. In *Fighting Chance*, from award-winning author Jane Haddam, Demarkian is now a man possessed, and his one goal is to find out what really happened and who is really responsible for the murder Father Tibor is charged with.

One of Our Own Jane Haddam, 2020-11-17 In Jane Haddam's *One of Our Own*, Gregor Demarkian, former FBI agent and police consultant, returns for his final case: a surprising murder and an attempted murder which threaten the safety of his Philadelphia neighborhood. A mysterious black van is spotted by several people at various times in the area around Cavanaugh Street, Philadelphia's Armenian American enclave. Presumed by some to be related to the increasing ICE raids around the area, the mystery deepens one night when a body falls out of the back of the van when speeding through the neighborhood. Marta Warkowski, a reclusive older woman, is found bound up in a garbage bag after it falls out of the van. In a coma, Warkowski is unable to tell police how she ended up as she did. When they go to search her apartment, the police find the dead body of her building's super, a man with whom she has a history of conflict. How did she end up in a garbage bag in the back of a mysterious van? How did he end up dead in her locked apartment? What does all of this have to do with the real estate holdings of infamous local developer Cary Alder? Gregor Demarkian, former FBI agent and consultant, is ready to retire. He and his wife Bennis have agreed to foster a child, Javier, with a mysterious past and limited language skills. But he is pulled in once again for a final case to uncover the truth about the murder and attempted murder on Cavanaugh Street.

Hearts of Sand Jane Haddam, 2013-09-03 The endearing and brilliant Publishers Weekly Gregor Demarkian returns with a case of an unresolved crime and a new brutal murder in Jane Haddam's *Hearts of Sand*. Alwyck, Connecticut, is the stereotypical old money Connecticut beach town where the best families live in mini mansions on Beach Drive, their children go to Alwyck Country Day School, and the parents have memberships to the Atlantic Club. And Chapin Waring is the worst thing that ever happened to this town. She was a well-turned-out debutante from one of the richest families in Alwyck until thirty years ago when the young debutante, destined to attend the right school, marry the right man, and have the right life, was revealed to a bank robber and a murderer. She disappeared, never to be heard from again. But Alwyck has never forgotten her or let her friends and family forget. So when, after a day of being spotted around

town Chapin turns up dead stabbed to death in her family's old home it's baffling To learn why she died and to end the rampant speculation and media coverage Gregor Demarkian retired profiler for the FBI is brought in to finally solve the mysteries surrounding Chapin Waring Not just how and why she died where she did but where she'd been and what happened that night thirty years ago that set everything in motion *Blood in the Water* Jane Haddam, 2012-03-27 Gregor Demarkian returns in a mindbending case of death and disappearance amongst the wealthy suburban elite In Waldorf Pines a very rich gated suburb of Philadelphia ostentation and pretension are the order of the day But even by the local standards Martha Heydrich is a stone cold pain She's the stay at home wife of a very rich husband drives a pink sports car everywhere and is on all the prominent local committees She's fake into everybody's business and is rumored to be having an affair with a local teenager Michael Platte One morning she seemingly vanishes from her house and later that night her husband Arthur returns home to find the pool house ablaze Once the fire is extinguished the police discover two bodies one is Michael Platte and the other too damaged to be recognizable is presumed to be Martha Heydrich The police think they know what happened that Arthur killed his wife and her lover over the affair But then the DNA results come back and the second body isn't Martha's at all it is an unknown man With their theory in tatters and Martha nowhere to be found the police turn to ex FBI agent Gregor Demarkian to help them unravel this most puzzling of cases *The Fighting Chance* Robert Chambers, 2016-08-10 It is an excellent bestseller's book for individuals who are looking for the best one to read *The Fighting Chance* Robert William Chambers, 2018-05-15 *The Fighting Chance* Chambers William, 2014-08-29 **FIGHTING CHANCE** Robert W.
