When architects design a building or artists draw a painting they first conceive the work that would be completed in their minds before they actually begin working on their project Just like this our God also had our salvation of mankind in His mind even before He created the heavens and the earth and He made Adam and Eve with this purpose in mind And God needed to explain to us the domain of Heaven which is not seen by our eyes of the flesh by drawing an analogy to the domain of the earth that we can all see and understand Even before the foundation of the world God wanted to save mankind perfectly by giving the gospel of the water and the Spirit to everyone s heart So although all human beings were made out of dust they must learn and know the gospel Truth of the water and the Spirit to benefit their own souls If people continue to live without knowing the dominion of Heaven they will lose not only the things of the earth but also everything that belongs to Heaven
