- **THE 2009 BUDGET** will have a significant impact on the way in which the Government will be able to deliver its policies. The Government has announced a number of measures to reduce the deficit, including a reduction in the top rate of income tax, a reduction in the top rate of corporation tax, and a reduction in the top rate of VAT. These measures will be implemented over the next five years, and will be funded by a combination of new taxes and cuts in public spending.
