National Board Certification Pass Rate:

National Board Certification Debra Ann Pastore, 2016 National Board certification is generally accepted as the hallmark of accomplished teaching. As a result, many states offer a financial incentive to those who achieve this title. Several studies have been conducted on the National Board assessment in an attempt to decipher what is behind the moniker of National Board Certified Teacher.

Achieving National Board Certification for School Library Media Specialists Gail Dickinson, 2005-09-26 Provides a history and overview of the certification process, reviews the areas highlighted in the National Board for Professional Teaching Standards (NBPTS) portfolio entries and assessment center exercises, examines their components, and gives tips on how to complete each part.

So, You Want to Become a National Board Certified Teacher Jerry L. Parks Ed.S. NBCT, 2012-08-02 After much success in its original format, *So You Want to Become a National Board Certified Teacher Workbook Evidence Manual Revised Expanded QR Coded Edition* provides for candidates an interactive opportunity to listen to the author elaborate and explain numerous helpful activities described in the original workbook. Also included in the new edition is a chapter dedicated to the NBPTS Renewal process. Becoming a National Board Certified Teacher is the highest achievement in the teaching profession. It also has to be one of the most rewarding. While there are numerous guides to help NBPTS candidates prepare portfolios, candidates will find limited affordable published assistance which actually allows organization and allows practice of what the process entails. *So You Want to Become a National Board Certified Teacher Workbook Evidence Manual Revised Expanded QR Coded Edition* was written to address just such a need. This workbook is designed to be used alongside the author's national bestselling companion guide *So You Want to Become a National Board Certified Teacher* in either an individual or group workshop setting. In addition to the newly added QR codes, the workbook contains numerous worktables utilizing vital elements of NBPTS writing. Using this workbook, the candidate will dissect, analyze, and apply the NBPTS Core Propositions to their own classroom, analyze and utilize the well-researched characteristics of Accomplished Teaching practice, the three writing forms required for NBPTS portfolios, annotate practice writing samples for accomplished writing features the NBPTS wants to see, help structure effective lesson plans, and Documented Accomplishment models based on NBPTS guidelines. Utilize practice tests to assess knowledge of entry requirements, become familiar with and be offered assistance in the NBPTS Renewal process. Everything a candidate will need to be guided through the certification process is featured in this book.

Navigating the National Board Certification Process Martha H. Hopkins, 2004-05-12 The only book you need to achieve National Board Certification. What is an accomplished teacher? The National Board for Professional Teaching Standards (NBPTS) has developed standards that define quality teaching in every subject and grade level. Consequently, many states and districts have invested heavily in National Board Certification, offering pay raises, bonuses, and paid leave for portfolio preparation. *Navigating the National Board Certification Process* is a step-by-step guide for teachers who are interested in pursuing or are currently applying for

National Board Certification Filled with activities checklists and other practical tools this comprehensive resource leads teachers through each stage of the certification process to ensure that no deadlines are missed and that they meet all the requirements for applications the portfolio and the content assessments Arranged around the five core propositions of the NBPTS this invaluable guidebook includes Worksheets scenarios writing tips and time management strategies Advice on videotaping and preparing portfolio artifacts Stories and experiences of other National Board Certification hopefuls A Frequently Asked Questions section at the end of every chapter This book is designed to help teachers understand the components of accomplished teaching as defined by the NBPTS determine their readiness to enter into the National Board Certification process and provide them with the skills needed to move through that process with confidence Hopkins s years of experience with the pitfalls and obstacles of National Board Certification will help teachers avoid the dreaded If I d only known syndrome Tailored to both teachers who are considering certification and those in the midst of the process this practical manual is also an indispensable resource for principals staff developers and professors who support teachers through the certification process

The Leverage of National Board Candidacy Jana Hunzicker, 2006-12 The Leverage of National Board Candidacy is written for teachers considering the pursuit of National Board certification as well as for those currently engaged in the certification process Capturing the experiences of Anne Barbara and Jamie three teachers who sought NBPTS certification during the 2004 2005 school year the book vividly describes their teaching practices guiding philosophies and thought processes before exploring each teacher s learning as it occurred during the certification year Comparing the three teachers certification experiences to the findings of recently conducted research the book explores characteristics of readiness for National Board candidacy common learning outcomes of the NBPTS certification process and possible explanations for the varying nature and degree of learning that occurred for the three teachers through the experience The final chapter presents the theory of leverage during National Board candidacy an interactive dynamic that creates an uncomfortable yet positive pressure that makes the pursuit of National Board certification one of the most powerful professional development experiences currently available to teachers

Preparing Teachers for National Board Certification Kathleen Anderson Steeves, Barbara C. Browne, 2000-09-11 This practical book presents a comprehensive blueprint for preparing teachers to achieve National Board for Professional Teaching Standards NBPTS certification An outgrowth of the authors more than five years of experience working with teacher candidates the approach described here enlists the collaboration of both university educators and professional staff development personnel The book includes a detailed outline of a seminar to introduce teachers to the NBPTS process complete with written samples and reproducible overhead transparency masters Also featured are chapters contributed by Board Certified Teachers who share portfolio samples and activities in four certification areas Supported by research proven best practices in professional education the book includes extensive reference lists and helpful hints for facilitators
