**The Starfish Method** JB Heller, He lives in the penthouse of the most luxurious complex in the city. She shares an apartment with a lobster. Hannah spends her days swimming with sharks, chilling with her pet lobster Levi and avoiding commitment like the plague. Sam's days are spent expanding his family's empire, bickering with his cousin Tom and dodging scheming gold diggers. They both want the same thing: A few months of fun and companionship with an expiry date and hopefully no restraining orders. Except as their self-imposed deadline draws closer, Sam finds he's had a change of heart. Can the charismatic billionaire convince the eccentric commitment phobe to take a chance on love or will she sabotage them both with her trusty Starfish Method? *The Starfish Method* is a standalone laugh out loud romantic comedy. The lobster loving shark enthusiast and the workaholic billionaire are about to find out just how strongly opposites attract.

**Modest Fashion** Reina Lewis, 2013-05-30 Increasing numbers of women are engaging in the development and discussion of modest dressing, a movement matched by a growing media and popular demand for intelligent commentary about the topic. *Modest Fashion* sets out to meet that need. As a trend, modest dressing is spreading across the world yet it is rarely viewed as fashion. Studying consumers and producers, retailers and bloggers, *Modest Fashion* provides an up to the minute account of the art of dressing modestly and fashionably. Leading scholars in the area along with journalists, fashion designers, entrepreneurs and bloggers discuss the emergence of a niche market for modest fashion among and between Jewish, Christian and Muslim faith groups as well as secular dressers. Crossing creeds and cultures, analysing commentary alongside commerce, the book probes the personal and the political as well as religious, aesthetic and economic implications of contemporary dress practices and the debates that surround them.

*Exposure* Talitha Stevenson, 2007-01-08 Rich and psychologically astute, *Exposure* refracts the life of an upper middle class English family through the prism of a single scandalous affair. Publishers Weekly starred review: Prominent lawyer Alistair Langford has worked hard to achieve his immense ambitions but in the course of just one evening he recklessly destroys everything. The scandal threatens his marriage and exposes a secret he has hidden: his entire adult life. Meanwhile his son Luke, who has led a privileged life but also has worked hard to achieve his own success, has fallen in love with a beautiful actress. When she suddenly leaves him, he plunges into a dangerous depression. His ideals in tatters, he seeks a kind of redemption by taking in two asylum seekers from Kosovo whose struggles contrast starkly and poignantly with his own. A deftly plotted, highly suspenseful and astutely observed morality tale, *Exposure* explores the dangerous pleasure of offering charity, the effects of deceit and shame on a rigidly complacent family and the nature of love among family and friends. A rich, deep and mesmerizing novel that simultaneously projects a sense of casual

grace and of inexorability Jay McInerney An unapologetic love story reminding us first of our fragility and then of the ability to forgive Entertainment Weekly Class consciousness sexual obsession and familial issues make for queasy yet engaging bedfellows in Exposure Stevenson writes with a careful grace and an emotional honesty that is wise well beyond her 28 years New York Post Exposure confirms the young English author's uncanny flair for psychological plots Vogue **Derailed** Nicole Ciacchella, A sexy travel romantic comedy about finding your place in the world Contains mature content Louisa Carmichael has had it After her boss gives a less qualified co worker the promotion he'd promised Lou she quits But she only makes it as far as her car before panic sets in At twenty eight her entire life has revolved around her career Who is she without it Fortunately Lou has the perfect excuse to avoid facing that question a trip to France for her best friend's wedding There she meets Yves Betancourt a handsome French man who happens to be the most off putting person she's ever met even if she is fascinated by his passion for his work One desperate lonely night in Paris she takes him up on his invitation to meet for a drink When he offers to be her guide as she retraces the path her grandfather took during his post World War II tour of Normandy Lou throws caution to the wind falling deeply under the spell of the French countryside food wine and Yves
