## **Kiran Desai Hullabaloo In The Guava Orchard:**

*Hullabaloo in the Guava Orchard* Kiran Desai, 2005-09-02 Sampath Chawla was born in a time of drought that ended with a vengeance the night of his birth All signs being auspicious the villagers triumphantly assured Sampath's proud parents that their son was destined for greatness Twenty years of failure later that unfortunately does not appear to be the case A sullen government worker Sampath is inspired only when in search of a quiet place to take his nap But the world is round his grandmother says Wait and see Even if it appears he is going downhill he will come up the other side Yes on top of the world He is just taking a longer route No one believes her until one day Sampath climbs into a guava tree and becomes unintentionally famous as a holy man setting off a series of events that spin increasingly out of control A delightfully sweet comic novel that ends in a raucous bang *Hullabaloo in the Guava Orchard* is as surprising and entertaining as it is beautifully wrought

writings in English with the publication of her two novels *Hullabaloo in the Guava Orchard* and *The Inheritance of Loss*. *Hullabaloo in the Guava Orchard* fetched for Desai the Betty Trask Award in 1998 while *The Inheritance of Loss* made her the youngest female recipient of the coveted Man Booker Prize in 2006. As a globalized citizen, Desai has explored the ramifications of being a globalized citizen hopping countries and continents. This study deals with globalization in both her novels *Hullabaloo in the Guava Orchard* and *The Inheritance of Loss*. It shows the changes that have crept into India after thorough globalization of the world. They show how Indians and Indian sensibilities have changed with globalization. Globalization refers to an increase of globalism. It refers to an increase in global relationships in socio-economic, technological, and cultural domains. It denotes the buildup of a new global order in political, economic, and cultural arenas. Desai, through her two novels *Hullabaloo in the Guava Orchard* and *The Inheritance of Loss*, talks about the positive and negative aspects associated with globalization. The novel *Hullabaloo in the Guava Orchard* presents the effects of globalization on Indian society and India as an economy. *The Inheritance of Loss* depicts the effects of globalization on Indian society and Indian immigrants abroad. Hinting at the advantages associated with globalization, both the novels hint at the erasure of individual and cultural identity on account of globalization when locals in India or Indian immigrants abroad do not guard themselves against the negative aspects of globalization.

**National Identity and Cultural Representation in the Novels of Arundhati Roy and Kiran Desai** Sonali Das, 2018-04-18. This book is the first of its kind to examine the theories of nation and national identity in both the West according to the theories of Benedict Anderson and Salman Rushdie and in the East in the light of the works of Jawaharlal Nehru as they apply to the novels of Arundhati Roy and Kiran Desai. The second part of the twentieth century witnessed a new interface between fiction and history called New History. It brought into its purview the hitherto marginalized sections of society like slaves, peasants, workers, women, and children. Whereas the subalterns in *The Inheritance of Loss* are disempowered by the brunt of globalisation and neo-colonialism, the subalterns in *The God of Small Things* face the ire of the deep-seated divisions based on caste and gender bias in a postcolonial society. In addition, this book also deals with contemporary social issues like individual identity in a multicultural world where cultures and nature converge into myriad ways of living. It will be of immense benefit to MA and MPhil students all over India as well as to PhD scholars and teachers of English literature both in India and abroad.
