INTRODUCTION

BRIEF BIOGRAPHY OF GEORGE BERNANOS

George Bernard Shaw was an Irish playwright, critic, and political activist. He is known primarily for his comedies, which often satirized Victorian high society and its mores, but he also wrote plays in which he explored political and social problems. His earlier plays reflected Irish nationalism and socialist philosophy, but after meeting intellectual and socialist friends, Shaw turned toward social realism. His early plays, like *Arms and the Man* (1894), were written for the stage and were not widely known. In 1895, Shaw wrote the play *Man and Superman*, which was the first of his plays to be produced in London. The play was a success, and Shaw's reputation as a playwright grew. He wrote many other plays, including *Pygmalion* (1913), *Major Barbara* (1919), and *Back to Methuselah* (1921). Shaw was a member of the Fabian Society, a group of socialists who believed in gradual reform through education and political action. Shaw's plays often reflected his socialist beliefs, and he was a vocal advocate of socialism. Shaw's plays were often controversial, and he was frequently attacked by the press and the public. However, Shaw's plays are now considered some of the greatest works of English literature, and he is widely regarded as one of the most important playwrights of the 19th and 20th centuries.
