Ebook: The Science of Psychology: An Appreciative View King, 2016-09-16 *Ebook The Science of Psychology An Appreciative View* **Quasi-Experimentation** Charles S. Reichardt, 2019-08-15 Featuring engaging examples from diverse disciplines this book explains how to use modern approaches to quasi experimentation to derive credible estimates of treatment effects under the demanding constraints of field settings Foremost expert Charles S Reichardt provides an in depth examination of the design and statistical analysis of pretest posttest nonequivalent groups regression discontinuity and interrupted time series designs He details their relative strengths and weaknesses and offers practical advice about their use Reichardt compares quasi experiments to randomized experiments and discusses when and why the former might be a better choice Modern methods for elaborating a research design to remove bias from estimates of treatment effects are described as are tactics for dealing with missing data and noncompliance with treatment assignment Throughout mathematical equations are translated into words to enhance accessibility **Iraqi Kurdistan, the PKK and International Relations** Hannes Černý, 2017-07-28 Due to its primacy in explaining issues of war and peace in the international arena the discipline of International Relations IR looms large in analyses of and responses to ethnic conflict in academia politics and popular media in particular with respect to contemporary conflicts in the Middle East Grounded in constitutive theory this book challenges how ethnic ethno nationalist conflict is represented in explanatory IR by deconstructing its most prominent state centric models frameworks and analytical concepts As much a critique of contemporary scholarship on Kurdish ethno nationalism as a detailed analysis of the most prominent Kurdish ethno nationalist actors the book provides the first in depth investigation into the relations between the PKK and the main Iraqi Kurdish political parties from the 1980s to the present It situates this inquiry within the wider context of the ambiguous political status of the Kurdistan Region of Iraq its relations with Turkey and the role Kurdish parties and insurgencies play in the war against ISIS in Iraq and Syria Appreciating these complex dynamics and how they are portrayed in Western scholarship is essential for understanding current developments in the Iraqi and Syrian theatres of war and for making sense of discussions about a potential independent Kurdish state to emerge in Iraq Iraqi Kurdistan provides a comprehensive and critical discussion of the state centric and essentialising epistemologies ontologies and methodologies of the three main paradigms of explanatory IR as well as their analytical models and frameworks on ethnic identity and conflict in the Middle East and beyond It will therefore be a valuable resource for anyone studying ethnicity and nationalism International Relations or Middle East Politics *The Price of a Vote in the Middle East* Daniel Corstange, 2016-09 Some ethnic communities receive generous material rewards for their political support whilst others only receive very modest payoffs *Personality Theories* Bem P. Allen, 2000 This comprehensive reader friendly text has been revised and updated by the theorist behind major movements in personality studies Its presentation of theorists lives as well as their contributions to the field of personality coupled with an outstanding pedagogical program separates this

text from others on the market Addition of even more case studies shifts emphasis further toward a humanistic approach E mail Interaction feature located at the end of each chapter poses thought provoking questions to students who in turn can engage in discussions directly with the author via e mail Expanded coverage of Freuds famous cases and existentialism the latter of which is explored in four chapters and now includes Rollo Mays ideas Incorporates new information on such hot contemporary topics as The Bell Curve emotional intelligence and the eugenics scandal that cost Raymond Cattell a prestigious award Provides a comprehensive introduction to the key personality theorists by combining biographical information on each theorist with their contributions to the field Contains chapter opening questions chapter ending summaries and essay critical thinking questions to fa
