

# Trinity Sunday Prayers of Intercession

## Prayers for public worship

**Reading: Romans 8: 12-17**

God the Father, bless us,  
God the Creator, we pray for the world,  
Brought to birth by your love,  
Where your children  
Fight and kill,  
Die of hunger and disease,  
Oppress and exploit one another,  
We pray for ....

God, Father, Son and Holy Spirit:  
**We ask for new life in you.**

God the Son, protect us,  
God the Saviour, we pray for humankind,  
Whose joys and pains you came in love to share,  
And who are still in need  
Of repentance and forgiveness,  
Of healing and comfort,  
Of faith and hope.  
We pray for ....

God, Father, Son and Holy Spirit:  
**We ask for new life in you.**

God the Spirit, guide us,  
God among us, we pray for the Church,  
Created, sustained and filled with love by you,  
Asking that you will give us  
Vision and courage,  
Unity with one another,  
The strength to serve you in the world.  
We pray for ....

God, Father, Son and Holy Spirit:  
**We ask for new life in you.**

God the Father, bless us, God the Son, protect us,  
God the Spirit, guide us, now and evermore.  
**Amen.**

the original President's Edition with Eucharistic material from Times and Seasons Festivals and Pastoral Services and the Additional Collects     **The Living Church** ,1909     Understanding Prayer for the Dead James B Gould,2017-08-31

Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God's purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned     Common Worship: Times and Seasons The Liturgical Commission O. England,2013-04-30 Provides all the essential seasonal liturgy for the Christian year including material for using from Advent to Candlemas and from Lent to Easter as well as many other festivals and seasons throughout the year     *Crafting Prayers for Public Worship* Samuel Wells,2013-06-24 An inspirational and practical guide for all who help to lead the intercessions in regular worship or offer prayers on specific occasions It aims to empower and equip lay people and clergy alike to offer heartfelt informed thoughtful and appropriate prayers on behalf of the people of God for God's world     The Story of the Canadian Revision of the Prayer Book W. J. Armitage,2013-03-21 This 1922 book provides a detailed discussion of the revision of the Book of Common Prayer for the Anglican Communion in Canada     **The Evangelical Quarterly Review** Charles Philip Krauth,William Morton Reynolds,Martin Luther Stoeber,1865     Celebrating the Seasons Robert Atwell,2013-01-25 Daily readings from Christian spiritual masters from Basil the Great to Evelyn Underhill for devotional use all year long     The Abiding Presence of the Holy Ghost Bede Jarrett,2013-10-23 In his own life time Father Jarrett held a recognised position as the greatest preacher in Catholic England In the light of his own teaching it is easy to understand the reason Behind all his sermons there lay a personal vision and a personal love He always preached to the individual it made no difference to him whether these were many or were few He would seem to put the same care and thought and vision into each of his sermons and his lectures for with him the lectures were in fact sermons It appeared to make no difference whether these were to be delivered in Westminster Cathedral or the Albert Hall or Our Lady of Victories New York or in some small church or class room The author of the obituary in The Times noted that he has been called the best Roman Catholic preacher in this country and he was perhaps the most popular English preacher in the United States his sermons

being marked by their intellectual quality their appositeness to the times and their incisiveness All this seems true enough Much of his success as a preacher was due to his clarity of thought and of word and of voice But it was Father Vincent McNabb who perhaps came closest to the secret of his influence His light was a spiritual flame that fed itself increasing day by day but alas a bodily flame that fed upon itself until the day when it made an end to its powers I need not say that if he was on fire it was with the master flame of love *Feasting on the Word Worship Companion* Kimberly Bracken

Using the riches of traditional liturgical texts and classic hymns together with the role of the natural world this book examines the living reality of the liturgical year [Summa Theologica \(All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations\)](#) Thomas Aquinas,2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man's reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act

on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory
