An alliteration poem uses words that begin with the same letter.

Black Bunny

The beautiful black bunny,
Bumped Betsy the beagle,
Breaking her basket,
Bearing bread for the eagle.
But before Betsy began,
Biking briskly away,
She saw that black bunny,
Blowing bubbles by the bay.

Learning , 1976 **Byron's Poetry** Peter Cochran, 2012-04-25 Byron s dubious status as a sex object and his even more dubious status as a political icon serves to disguise the fact that he is one of the greatest of all English poets with a European reputation second only to Shakespeare The fact that writers such as Goethe and Pushkin held him in the highest regard ensures that the English continue to despise him and ignore his verse as much as possible This book ignores his sexuality his politics and his iconography and concentrates on his poems Written by leading authorities such as Bernard Beatty Germaine Greer and Michael O Neill it contains essays on his verse forms and his comic rhymes as well as thematic analyses on such recurrent Byronic themes as the Sea Will o the Wisps and Love versus Knowledge In the face of many modern books which translate his verse into prose

and try without success to analyse the result Byron's Poetry puts his real achievement as a creative writer back into the focus of discussion Creative Writing for Juniors Barry Maybury, 1981 Literature and the Child Bernice E. Cullinan, Lee Galda, 1998 With a slender design and appealing art Cullinan and Galda present a thought provoking discussion on how children can read to respond read to learn and read to enjoy This text provides evaluation criteria for selecting superior children's books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum
