AWS Certified Database Study Guide Matheus Arrais,Rene Martinez Bravet,Leonardo Ciccone,Angie Nobre Cocharero,Erika Kurauchi,Hugo Rozestraten,2023-04-12 Validate your AWS Cloud database skills AWS Certified Database Study Guide Specialty DBS C01 Exam focuses on helping you to understand the basic job role of a database administrator architect and to prepare for taking the certification exam This is your opportunity to take the next step in your career by expanding and validating your skills on the AWS Cloud and performing a database focused role AWS is the frontrunner in cloud computing products and services and this study guide will help you to gain an understanding of core AWS services uses and basic AWS database design and deployment best practices AWS offers more than relational and nonrelation databases they offer purpose built databases which allow you to utilize database services prebuilt to meet your business requirements If you are looking to take the Specialty DBS C01 exam this Study Guide is what you need for comprehensive content and robust study tools that will help you gain the edge on exam day and throughout your career AWS Certified Database certification offers a great way for IT professionals to achieve industry recognition as cloud experts This new study guide is perfect for you if you perform a database focused role and want to pass the DBS C01 exam to prove your

knowledge of how to design and deploy secure and robust database applications on AWS technologies IT cloud professionals who hold AWS certifications are in great demand and this certification could take your career to the next level Master all the key concepts you need to pass the AWS Certified Database Specialty DBS C01 Exam Further your career by demonstrating your cloud computing expertise and your knowledge of databases and database services Understand the concept of purpose built databases allowing you to pick the right tool for the right job Review deployment and migration management and operations monitoring and troubleshooting database security and more Access the Sybex online learning environment and test bank for interactive study aids and practice questions Readers will also get one year of FREE access after activation to Sybex s superior online interactive learning environment and test bank including hundreds of questions a practice exam electronic flashcards and a glossary of key terms

Humanitarianism from Below Alejandro Olayo-Méndez, 2025-08-05 Challenges the definition of humanitarian aid Aside from being one of the most important migration corridors in the world Mexico is becoming an immigrant destination itself with more and more migrants deciding or needing to stay in the country after failing to enter the United States In the absence of state aid migrant shelters have emerged as an informal welfare system for migrants asylum seekers refugees and deportees in Mexico Largely run by faith based humanitarian organizations these shelters have grown significantly in recent years Humanitarianism from Below examines the significance of these casas de migrantes migrant shelters in the migration process in Mexico The book also reviews the role of faith based humanitarian organizations whose engagement with migrants is perceived more as charity work than professional humanitarian work The volume argues that faith based humanitarian organizations work challenges traditional understandings of what counts as humanitarian aid It makes the case that in order to understand the full ecology of migration we need to understand not only how large organizations like the Red Cross work but also how these smaller and local entities with fewer resources interact with migrants on their journeys Most migration research tends to focus on its impact within home countries or in destination contexts rarely focusing on the actual migration process including the interactions that influence the course of the migration journey itself In conducting this research Alejandro Olayo M ndez traveled along migrant routes several times in order to gain knowledge about how migrants move and how they interact with the migrant shelters He offers a detailed look at the experiences and challenges of casas de migrantes in Mexico situating these faith based shelters as an integral part of Mexico s humanitarian ecosystem
