In Dark Waters:

In Dark Waters Mary Burton,2010-06-01 THAT S RIGHT KELSEY WARREN IS BACK After globe trotting as an underwater photographer I m ready to stir up trouble again in Grant s Forge I swore I d never return yet ten years later here I am back home to face the music and the only man who ever broke my heart Sheriff Mitch Garrett may be crucial in helping me uncover the mystery of my mother s murder but I m not a love struck teenager anymore Once I know the truth about the past I will leave this town in a trail of dust and embark on another underwater adventure Then again Mitch has a way of changing all my well laid plans *Death in Dark Waters* Patricia Hall,2004-02-12 DCI Michael Thackeray investigates violence at a popular nightclub that may be related to both drugs and a local mosque while his girlfriend reporter Laura Ackroyd has her own hands full with the town of Bradfield s drug problems *Death in Dark Waters* is a gripping and thought provoking mystery sure to please fans of Hall s intelligent suspenseful series *Swimming with Sharks in Dark Water* Athene Brinson,2018-05-31 Individuals are not racist by intent they are racist by culture heritage and education If I were to ask anyone if they were a racist they would immediately deny it as a possibility They would espouse their wonderful humanitarian acts or friends of color that would support an embracement of diversity that would make us all proud The truth I have never met a racist that knew they were racist Even when educated as to what they have done they would go to their grave stating that under no circumstances should I ever consider them a racist This book is designed to tell you that it does not matter how many racists you meet in the office you can still be successful This book is designed to help you identify and cope and achieve success in those corporate environments that are not well It provides you with advice on how to swim with sharks in dark water This book will help you to use your Spidey senses to trust your gut to identify when you are working on a plantation how to cope until you can leave Oh by the way I need to tell you that you do not have the power at any time on any day to fix the plantation without permanently damaging your career The people who have fixed these issues have sacrificed their career possibly their livelihood to ensure that we do not experience what they did They shall always be the nameless heroes of our generation We will always be indebted to those individuals who spoke up and lost their livelihood as a result You need to understand that making a difference has a cost and those that have done this have paid dearly *Dark Waters* Kathryn Mitchener,2011-07-28 As a young child I suffered from depression for over six and a half years as I developed into a young adult This molded my life and the person I am today but so much along the journey I felt I was alone and that no one truly understood me I hope that readers can connect with me through my writing and see that there are many challenges we may face in life but that they can be overcome My work is not all dreary and black I tell of love family gratitude and simplicity I also bare my soul and let people see the absolute despair of a child and young woman as she struggles to find herself and the meaning of a life that has so many different pathways offered but no signpost to indicate which direction to take Not all my writing is based on my own experiences but written from my observations of the world and
