In Silence With God:

In Silence with God Benedict Baur, 1997 **In Silence with God** Benedikt Baur, 1951 *God Speaks to Me in Silence* Janet Safford Cline, 2013-10-17 Where does poetry come from For Janet Safford Cline her poetry comes from a lifetime of loving words and putting them together to express her faith in Jesus Christ A lifelong Christian in her inspiring poetry collection *God Speaks to Me in Silence* she imagines biblical scenes and stories in the poems *Shepherds Temptations and Why* She gently pokes fun at Sundays only Christians in *Dear Bishop* Janet lived many years in the Texas Panhandle and recalls it lovingly in her poem *In the Panhandle* and she ponders her life in several poems about her family and friends For the last forty years she has lived on the Texas Gulf Coast complete with hurricanes and uncertain weather all of which is reflected in *God Speaks to Me in Silence* God speaks to me in silence never bombast or demand The Lord of Lords is patient always holding out his hand I seldom take the time to sit and wait for his soft word But I know Gods there and waits for me whatever has occurred Its only when I quiet down I hear Gods wondrous voice Gods always there to talk to me but I have to make the choice God speaks to me in silence when my mind is rapt and still And its up to me to listen then to hear his perfect will Be Still and Know Jenni Ho-Huan, 2019-09-18 City living is busy stressful and noisy It generates a lifestyle of haste with an addiction to quick fixes It feels impossible to find quiet to rest and to think deeply Our longing is to experience enduring peace stronger relationships and a better sense of our unique place in the world To do so we must hunger for life as it is meant to be connected to its Source and maturing into fullness and fruitfulness This requires that we become familiar with silence as a place to visit and feel at home in For it is in silence that we encounter ourselves others and God in radical ways Let this volume movingly told through personal narrative help you make your way to the land of silence and be amazed at how it impacts your life as you grow in peace patience and passion The Silence of God during the Passion Daniel Bourguet, 2016-08-03 God s silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified **The Silent God and the Silenced** Min-Ah Cho, 2025-02-01 A groundbreaking exploration of the transformative power of silence *The Silent God and the Silenced* Mysticism and Contemplation amid Suffering explores the theological and spiritual dimensions of silence challenging traditional speech silence dichotomies Cho investigates the silenced voices of the vulnerable interweaving Christian mysticism literature and art to reveal silence s subversive potential in unlearning dominant narratives The book advocates a theological approach that seriously considers silence and prioritizes

attentive listening to promote genuine accountability By engaging with figures such as Evagrius Ponticus Hadewijch of Antwerp Michel de Certeau and Simone Weil alongside contemporary voices like Theresa Hak Kyung Cha and Arundhati Roy the book offers fresh perspectives on the transformative power of silence in today s turbulent world This interdisciplinary exploration will intrigue scholars and enthusiasts of theology literature and art Readers will discover how silence can serve as a counterpoint to the noise and violence of modern life providing avenues for resisting injustice and fostering contemplative transformative pathways to spiritual and intellectual growth **From Darkness to Light** Daniel

Bourguet,2016-09-07 In these meditations Daniel Bourguet enables us to draw alongside the thief on the cross and enter his dialogue with Christ he guides us downward into the darkness of hell through a reading of Psalm 88 and finally we discover on Easter morning both the confusion and then faith of Mary Magdalene as she meets the Risen Lord John 20 Bourguet s confidence in the biblical text means that he engages with it and follows wherever it leads however risky and he emerges with us miraculously enriched **The Silence of God:** Dr. Gene Russell,2016-04-22 Is it ever easy to be a Christian God is so silent His silence leads to suffering by the Christian and the world Why Lord are you silent But learning to pray Lord sock it to me may lead to three marks on steel The permanence of these thoughts changed the author s attitude and action **The Silence of God** James P. Carse,1985 Essays discuss the presence of God the meaning of prayer the relationship between God and man and the nature of gifts **Be Still and Know** Norris J. Chumley,2014 Early Christian spirituality is a topic of enduring fascination today among scholars and general readers alike Stories of hermits living in the desert in their pursuit of God catch our fancy What motivated them and drew them to silence on their path to God In this gracious tour Norris J Chumley introduces us to Hesychasm or the practice of silence and contemplative prayer and to the lives of its early practitioners The reader is introduced to St Anthony St Pachomius Evagrius St John Climacus and many others Then as only a teacher and mentor can he opens up the important possibilities the practice has for today **Friends' Intelligencer** ,1925
