Regelski, J. Terry Gates, 2009-10-08 Based on topics that frame the debate about the future of professional music education this book explores the issues that music teachers must confront in a rapidly shifting educational landscape The book aims to challenge thought and change minds It presents a star cast of internationally prominent thinkers in and beyond music education These thinkers deliberately challenge many time worn traditions in music education with regard to musicianship culture and society leadership institutions interdisciplinarity research and theory and curriculum This is the first book to confront these issues in this way This unique book has emerged from fifteen years of international dialog by The MayDay Group an organization of more than 250 music educators from over 20 countries who meet yearly to confront issues in music teaching and learning Beyond the Beat Daniel B. Cornfield, 2018-11-27 At a time when the bulwarks of the music industry are collapsing what does it mean to be a successful musician and artist How might contemporary musicians sustain their artistic communities Based on interviews with over seventy five popular music professionals in Nashville *Beyond the Beat* looks at artist activists those visionaries who create inclusive artist communities in today s individualistic and entrepreneurial art world Using Nashville as a model Daniel Cornfield develops a theory of artist activism the ways that artist peers strengthen and build diverse artist communities Cornfield discusses how genre diversifying artist activists have arisen throughout the late twentieth century musician migration to Nashville a city that boasts the highest concentration of music jobs in the United States Music City is now home to diverse recording artists including Jack White El Movimiento the Black Keys and Paramore Cornfield identifies three types of artist activists the artist producer who produces and distributes his or her own and others work while mentoring early career artists the social entrepreneur who maintains social spaces for artist networking and arts trade union

reformers who are revamping collective bargaining and union functions Throughout Cornfield examines enterprising musicians both known and less recognized He links individual and collective actions taken by artist activists to their orientations toward success audience and risk and to their original inspirations for embarking on music careers Beyond the Beat offers a new model of artistic success based on innovating creative institutions to benefit the society at large [Guide to Literary Agents 2020](#) Robert Lee Brewer,2019-11-19 The Best Resource Available for Finding a Literary Agent No matter what you re writing fiction or nonfiction books for adults or children you need a literary agent to get the best book deal possible from a traditional publisher Guide to Literary Agents 2020 is your go to resource for finding that literary agent and earning a contract from a reputable publisher Along with listing information for more than 1 000 agents who represent writers and their books the 29th edition of GLA includes The key elements of a successful nonfiction book proposal Informative articles on crafting the perfect synopsis and detailing what agents are looking for in the ideal client written by actual literary agents Plus a 30 Day Platform Challenge to help writers build their writing platforms Includes 20 literary agents actively seeking writers and their writing **The Christian Union** Henry Ward Beecher,1874 **Insiders' Guide® to Nashville** Jackie Sheckler Finch,2011-04-12 Nashville offers extraordinary opportunities for those either visiting or seeking to relocate to this country music mecca Insiders Guide to Nashville is packed with information on the best attractions restaurants accommodations shopping and events from the perspective of one who knows the area well [The Christian Evangelist](#) ,1901 *Outlook* Alfred Emanuel Smith,Francis Walton,1875 [The Materiality of Divine Agency](#) Beate Pongratz-Leisten,Karen Sonik,2015-10-16 Two topics of current critical interest agency and materiality are here explored in the context of their intersection with the divine Specific case studies emphasizing the ancient Near East but including treatments also of the European Middle Ages and ancient Greece elucidate the nature and implications of this intersection What is the relationship between the divine and the particular matter or physical form in which it is materially represented or mentally visualized How do sacral or divine things act and what is the source and nature of their agency How might we productively define and think about anthropomorphism in relation to the divine What is the relationship between the mental and the material image and between the categories of object and image image and likeness and likeness and representation Drawing on a broad range of written and pictorial sources this volume is a novel contribution to the contemporary discourse on the functioning and communicative potential of the material and materialized divine as it is developing in the fields of anthropology art history and the history and cognitive science of religion **The Christian Republic** ,1910 *The Musician as Philosopher* Michael Gallope,2024-03-15 An insightful look at how avant garde musicians of the postwar period in New York explored the philosophical dimensions of music s ineffability The Musician as Philosopher explores the philosophical thought of avant garde musicians in postwar New York David Tudor Ornette Coleman the Velvet Underground Alice Coltrane Patti Smith and Richard Hell It contends that these musicians all of whom are
