**Mastering the Art of French Cooking, Volume 1** Julia Child, Louise Bertholle, Simone Beck, 2011-10-05 NEW YORK TIMES BESTSELLER The definitive cookbook on French cuisine for American readers What a cookbook should be packed with sumptuous recipes detailed instructions and precise line drawings Some of the instructions look daunting but as Child herself says in the introduction If you can read you can cook Entertainment Weekly I only wish that I had written it myself James Beard Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way *Mastering the Art of French Cooking* offers something for everyone from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine Julia Child Simone Beck and Louise Bertholle break down

the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring green peas Throughout the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations bound to increase anyone's culinary repertoire Julia has slowly but surely altered our way of thinking about food She has taken the fear out of the term haute cuisine She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique and she has elevated our consciousness to the refined pleasures of dining Thomas Keller *The French Laundry* Coquilles, Calva, & Crème G. Y. Dryansky, Joanne Dryansky, 2012-06-05 Two Americans in Paris serve up an appetizing evocative eccentric paean to Gallic gastronomy The Wall Street Journal This culinary memoir brings to life some of the most fascinating glamorous food years in France and reveals gastronomical treasures from gifted artisans of the French countryside Dryansky's stories are the stuff of legend evenings with Coco Chanel and Yves Saint Laurent historic wine auctions and memorable banquets but Coquilles Calva and Crème is more than memories These same memories prompt a journey across modern day France through kitchens farms and vineyards offering a savory experience that can be duplicated by the reader afterward with numerous recipes most of which have never before been recorded In the world of today's professional cooking publicity chasing and performance has overshadowed the importance of dining and the food itself Too often the modern restaurant is a mixture of bizarre novelty and paradoxical clichés Truly great dining happens when you're fully engaged in the moment acknowledging the range of associations that emerge as Proust wrote from sensory experiences From small cafés in Paris to Normandy Alsace the Basque country and beyond Dryansky takes us on a sweeping sensory journey with a voice as thoughtful as Kingsolver as entertaining as Bourdain and as cogent and critical as Pollan
