

...coming from the beginning. The reason the Son of God appeared was to destroy the works of the devil. "No one born of God makes a practice of sinning, for God's seed abides in him, and he cannot offend who are the children of God, and who do not practice sinning. By this it is the devil: whoever does not practice righteousness. Whoever is born of God is the one who does not love his brother.

#### Love One Another

"For this is the message that you have heard from the Father: that we should love one another." We should not be afraid of the man who was of the evil one and murdered his brother. And yet you are afraid of him? Because his own deeds were evil and he is not righteous. "Do not be surprised, brothers, that the world hates you. We know that we have passed out of death into life because we love the brothers. Whoever does not love abides in death. Everyone who hates his brother is a murderer, and you know that no murderer has eternal life abiding in him.

"By this we know love: that he laid down his life for us, and we ought to lay down our lives for the brothers. But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him? Little children, let us not love in word or with the tongue only, but in deed and in truth."

"By this we shall know that we are of the truth and reassure our heart before him; for whenever our heart condemns us, God is greater than our heart, and he knows everything. Beloved, if our heart does not condemn us, we have confidence before God; and whatever we ask, we receive from him, because we keep his commandments and do what pleases him. And this is his love: that we believe in the name of his Son Jesus Christ and keep his commandments, just as he has commanded us. Whoever keeps his commandments abides in God, and God is in him. And by this we know that he abides in us, by the Spirit whom he has given us."

#### Test the Spirits

4 Beloved, do not believe every spirit, but test the spirits to see whether they are from God, for many false prophets have gone out into the world. By this you know the Spirit of God: every spirit that confesses that Jesus Christ has come in the flesh is from God.

**The New International Lesson Annual 2013-2014**, 2013 **Reading the Bible Ethically** Eric J. Douglass, 2014-09-11 All interpretive systems deal with the author Modern systems consider the text to be autonomous so that it is disconnected from the author's interests In Reading the Bible Ethically Eric Douglass reconsiders this connection His central argument is that the author is a subject who reproduces her culture and her subjectivity in the text As the author reproduces her subjectivity the text functions as the author's voice This allows Douglass to apply ethical principles to interpretation where that voice is treated as a subject for conversation and not an object for manipulation He uses this to texture the reading process so that an initial reading takes account of the author's communication while a second reading critiques that communication

**Reading the Bible across Contexts** Esa J. Autero, 2016-06-10 In Reading the Bible Across Contexts Esa Autero offers a fresh perspective on Luke's poverty texts In addition to an historical reading he conducted an empirical investigation of two

Latin American Bible reading groups one poor and the other affluent to shed light on Luke's poverty texts. The interaction between historical reading and present day readings demonstrates the impact of socio-economic status on biblical hermeneutics and sheds new light on Luke's views on wealth and poverty. At the same time, Esa Autero critically examines liberation theologians' claim that poor are privileged biblical interpreters.

The Oxford Handbook of Digital Religion Campbell, 2023-11-15. Digital Religion refers to the contemporary practice and understanding of religion in both online and offline contexts and how these contexts intersect with each other. Scholars in this growing field recognize that religion has been influenced by its engagement with computer-mediated digital spaces including not only the Internet but other emerging technologies such as mobile phones, digital wearables, virtual reality, and artificial intelligence. The Oxford Handbook of Digital Religion provides a comprehensive overview of religion as seen and performed through various platforms and cultural spaces created by digital technology. The text covers religious interaction with a wide range of digital media forms including social media, websites, gaming environments, virtual and augmented realities, and artificial intelligence, and highlights examples of technological engagement and negotiation within the major world religions, i.e., Buddhism, Christianity, Hinduism, Islam, and Judaism. Additional sections cover the global manifestations of religious community, identity, ethics, and authority, with a final group of chapters addressing emerging technologies and the future of the field. Because of the interdisciplinary nature of the project, the Handbook is led by co-editors representing the humanistic and social scientific fields of religious studies and communication, though both also have experience in how those disciplines intersect.

**Reading with Earth** Anne Elvey, 2022-08-25. Winner of the 2023 ANZATS Award for the Best Monograph by an Established Scholar. Applying a re-envisioned ecological feminist hermeneutics, this book builds on two important responses to twentieth and twenty-first century situations of ecological trauma, especially the complex contexts of climate change and cross-species relations: first, ecological feminism; second, ecological hermeneutics in the Earth Bible tradition. By way of readings of selected biblical texts, this book suggests that an ecological feminist aesthetic bringing present situation and biblical text into conversation through engagement with activism and literature, principally poetry, is helpful in decolonizing ethics. Such an approach is both informed by and speaks back to the new materialism in ecological criticism.

**A Biblical Theology of Water** Eric R. Waller, 2024-05-30 Water. It's in nearly every book of the Bible. The world was made from water and was flooded by it. People were both killed and saved by it. Life requires water. It was in Eden and will be in the New Jerusalem. Moses, David, and most of the Old Testament prophets spoke about it, as did Jesus, Peter, and John. So why has no one yet figured out what all this water talk is about? God is revealing something exciting, using water as his means of communication. In this book, nearly all the uses of water throughout the Bible have been examined and organized into common categories. The mentions of water have ramifications for other major biblical teachings, such as on the work of the Holy Spirit, salvation, and baptism. This work unveils something that has remained hidden to most until now: a biblical theology of water.

*A New Model of the Authentic Church* Robert Fuggi, 2018-02-08 In American church culture, worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ. *A New Model of the Authentic Church* may be one of the most significant books written on the American church in decades. It not only offers a scholarly analysis of the current state of the church but provides practical solutions. The book offers a brilliantly well-developed model for how to make church work more effectively. If implemented, it would provide a much needed paradigm shift in how we do church in America. The book's main contribution is that it provides a workable framework not only on how to birth new missionally minded churches but how to reform existing ones back to the Authentic Church of the gospels. If its principles are taken and applied, the book could alter the landscape of the American church, which will be a breath of fresh theological air to a church that has lost its way in the new millennium. The purpose of this book is not to just challenge and

change the status quo its goal is to bring a real lasting transformation to how we do church The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church but as a practical blueprint that will provide much renewed hope and purpose to the contemporary American church the bride of Christ
