Le Sapin De Claire:

The Universalism of Human Rights Rainer Arnold, 2012-08-21 Is there universalism of human rights If so what are its scope and limits This book is a doctrinal attempt to define universalism of human rights as well as its scope and limits The book presents tests of universalism on international regional and national constitutional levels It is maintained that universalism of human rights is both a concept and a normative reality The normative character of human rights is scrutinized through the study of international and regional agreements as well as national constitutions As a consequence limitations of normativity are identified usually on the international level and take the form of exceptions reservations and interpretations The book is based on the General and National Reports which were originally presented at the 18th International Congress of the International Academy of Comparative Law in Washington D C 2010 Un troublant voyage
