But with the Copper Mountain Rodeo his only exception just around the corner, the last thing he needs is a distraction, especially one in the form of a pretty yet vaguely familiar country singer. When she and her country band travel to perform in the small town of Marietta, she doesn't plan on getting stranded there for several days. Or for an innocent offer to stay at a nearby ranch to turn out to be more than she bargained for. She recognizes its owner to be the same sexy cowboy she got hot and heavy with then stood up in Vegas. With the passion flaring between them and Wyatt getting closer to putting the pieces together, Claire is ready to run again, not knowing the danger that sent her fleeing in the first place is close on her heels. *Catch Me, Cowboy* Jeannie Watt, 2016-09-08
