Andrew Lang, 2016-06-21 Excerpt from The Mystery of Mary Stuart In revising this book I have corrected a number of misreadings in the Arabic numerals of dates of years I owe much to Mr David Bruce Gardyne and Mr Hay Fleming In deference to other criticisms offered privately I have somewhat modified certain phrases about the hypothetical forged letter as quoted by Moray and Lennox pp 211 236 That such a letter once existed is of course an inference on which readers must form their own opinion The passage as to the site of Damley's house Kirk o Field pp 124 131 ought to have been banished to an Appendix On any theory the existence of the town wall shown in the contemporary chart opposite p 130 is a difficulty The puzzle is caused by the chart of 1567 reduced in the design given at p 130 In all published forms the drawing is given as it is here But it reverses the points of the compass east and west About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
