Living in Manchester but with a deep relish and fond admiration for the country, my first thought was to find a frame work for my story in some rural scene and I had already made a little progress in a tale the period of which was more than a century

ago and the place on the borders of Yorkshire when I bethought me how deep might be the romance in the lives of some of those who elbowed me daily in the busy streets of the town in which I resided I had always felt a deep sympathy with the care worn men who looked as if doomed to struggle through their lives in strange alternations between work and want tossed to and fro by circumstances apparently in even a greater degree than other men A little manifestation of this sympathy and a little attention to the expression of feelings on the part of some of the work people with whom I was acquainted had laid open to me the hearts of one or two of the more thoughtful among them I saw that they were sore and irritable against the rich the even tenor of whose seemingly happy lives appeared to increase the anguish caused by the lottery like nature of their own Whether the bitter complaints made by them of the neglect which they experienced from the prosperous especially from the masters whose fortunes they had helped to build up were well founded or no it is not for me to judge **Mary Barton** Elizabeth Cleghorn Gaskell,2006-11 eoeMary Barton e was Gaskell e tm s first novel to be published It is a story of plebeian family whose head succumbs to class hatred On the persuasion of his trade union members he retaliates by carrying out a murder This masterpiece got instantaneous success as it appeared in the revolutionary year of 1848 The linguistic harmony and impressive imagery of the novel make this novel a must read **Mary Barton** Elizabeth Gaskell,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **Mary Barton** Elizabeth Cleghorn Gaskell,2020-10-31 The first novel by English writer Elizabeth Gaskell Mary Barton was published in 1848 It tells of the plight of the lower class in Manchester during the 1830s and 1840s Contrasting the gap between rich and poor the first half of the novel tells of the humble lives of the Barton and Wilson families the extreme poverty of the Davenports and the luxurious life of the Carsons Symbolically John Barton receives five shillings for selling most of his worldly possessions Henry Carson has this as loose change in his pocket The second half of the novel comes to grips with a plot to murder **Mary Barton** Elizabeth Cleghorn Gaskell,2019-08-24 Mary Barton is the first novel by English author Elizabeth Gaskell published in 1848 The story is set in the English city of Manchester between 1839 and 1842 and deals with the difficulties faced by the Victorian lower class It is subtitled A Tale of Manchester Life Mary Barton Gaskell,2023-11-29 Mary Barton (1848) Elizabeth Cleghorn Gaskell,2019-10-24 Mary Barton is the first novel by English author Elizabeth Gaskell published in 1848 The story is set in the English city of Manchester between 1839 and 1842 and deals with the difficulties faced by the Victorian working class It is subtitled A Tale of Manchester LifePlot summaryThe novel begins in Manchester where we are introduced to the Bartons and the Wilsons two working class families John Barton is a questioner of the distribution of wealth
