

The background of the entire image is a photograph of a forest. In the foreground, a path is covered with a thick layer of fallen red and orange leaves. The path leads into the distance, flanked by tall, slender trees with bare branches. The atmosphere is misty or foggy, with soft light filtering through the canopy. The overall color palette is muted, with greys, greens, and the vibrant reds of the autumn leaves.

Saturday Review , 1858 *A History of the Quests for the Historical Jesus, Volume 1* Colin Brown, Craig A. Evans, 2022-11-08
 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates *The Life of Napoleon* Walter Scott, 1839 *An Outline of the Relations Between England and Scotland (500-1707)* Robert Sangster Rait, 1901 Life of Napoleon Bonaparte.
