Learn To Live 3 No Scoreboard Watching; The Book of Romans By Faith in Christ Alone William Reid, 2019-07-15 We have learned to keep score on just about everything Therefore we unwittingly carry that same ethic over into our spiritual lives If we have to work hard and dedicate ourselves to achieving success then we end up thinking that we have to keep score on achieving righteousness Paul s emphasis is one that runs throughout the Bible we are losers and sinners All have sinned and come short of the glory of God We cannot lift ourselves by our own bootstraps Personal works and effort count for nothing It takes a while for this to get past our ego and pride Paul kept it simple righteousness is by faith in Jesus Christ alone No scoreboard watching [Salvation by Jesus Christ alone ... agreeable to the rules of reason, and to the laws of justice. Obedience from First to Last Edmund Fong, 2020-03-18 Obedience from First to Last explores the theological significance of the obedience of Jesus Christ in Karl Barth s theology It does this via a threefold consideration of first the nature of Jesus incarnate obedience second the relation of that obedience to the obedience of the second triune person of the eternal Son and third the effects Jesus obedience has on our own obedience Barth not only affirms the pivotal role Jesus obedience has within the economy of salvation but by equating that obedience with that of the eternal Son s Barth gives Jesus obedience a pre eminent place within the immanent being of Godself The obedience of Jesus Christ is seen to have a co participatory role in God s determination of his own divine being that arises from the primordial act of divine election This notion bears on our understanding of freedom and obedience as divine freedom is expressed in divine obedience so it is with human freedom and human obedience

Taylor,2011-09-22 Paul offers believers the earliest written words we have about Jesus He ranks after Jesus himself as the premier interpreter of the good news No one explains it with more intellectual depth and earnestness than he That is why to penetrate the Apostle's mind as he writes about Jesus's saving value is not a simple task But Father Taylor offers here a clear and understandable commentary on his letters which is accessible to the layman and scholar alike The book reflective of the latest in Pauline

scholarship is easy to read throughout and throws considerable light on what Paul has to say about Jesus born of a woman born under the Law and about the role his self emptying his Kenosis played in bringing about the world's salvation. As an inspirational model Jesus shows in Paul the paradoxical nature of our life as human beings made in the image and likeness of God that it is in giving that we receive in pardoning that we are pardoned and in dying that we are born to eternal life. Readers in their pursuit of Paul's understanding of Jesus will find in this volume on his letters his message and his heritage much that will be most helpful to them in their lives as Christians.

Christ Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St Augustine of Hippo's infamous quote in that even he didn't call them as heretics but soft hearted Christians who did not deny Holy Scripture. A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council. For protestants please take note that both St Augustine and that later council consists of members who Pray to Virgin Mary something which is absent from even Origen of Alexandria. Therefore just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine. In light of this we discuss various viewpoints quotes by Church Fathers and Ancient Christian Writings in support of this Hope. Since the time lapse and loss of records to these First Christians being replaced by later Christianity is hard to trace or prove due to scarcity of evidences nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism. Hopefuls itself. An example of a set of rare quotes which point to Christ Centered Universalism in this book which may not be popularly known is that by St Hillary of Poitiers the Champion of Trinity in the West and a set of interesting quotes likewise by St Ignatius of Antioch who was a direct disciple of St John the Apostle of Christ himself. We see traces of such an understanding in a quote by St Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St Ireneus of Lyons has a few interesting quotes especially those that relate to the Concept of Ages Aeons Olam to come where in a particular instance St Ireneus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness. Just like God of Abraham does not limit God to Abraham only the phrase God's Glory to the Age Aeon Olam singular need not limit God's Glory to one Age only but may be highlighting it for that Age unknown long time period. We do not need to teach it as a 100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way. One Day we will know and all things are possible with God Who Alone Decides Peace to you.
