John McCrae

In Flanders Fields And Other Poems Wwi Centenary Series:

In Flanders Fields and Other Poems (WWI Centenary Series) John McCrae, 2014-05-21 John McCrae physician soldier and poet died in France a Lieutenant Colonel with the Canadian forces The poem which gives this collection of his lovely verse its name has been extensively reprinted and received with unusual enthusiasm The volume contains as well a striking essay in character by his friend Sir Andrew Macphail This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

In Flanders Fields and Other Poems John McCrae, 2015-03-28 John McCrae a doctor and poet who served in Europe during the First World War composed In Flanders Fields one of the most enduring literary expressions of the horrors of war On the occasion of the 100th anniversary of the beginning of the First World War In Flanders Fields and Other Poems is being reissued

The Hidden Language of Symbols Matthew Wilson, 2022-11-15 A stimulating resource that guides readers through the most significant symbols from art history spanning many civilizations and centuries while revealing the common heritage of a global visual language The Hidden Language of Symbols covers a wide ranging selection of visual culture and art under one unified theme symbols Often not immediately apparent our day to day lives abound with symbols of various kinds from national emblems to emojis allegories to logos all of which have a fascinating story Organized across four all encompassing themes power faith hope and uncertainty this stimulating illustrated account of forty eight key symbols from global art history is aimed at museum goers armchair art sleuths or anyone who wants to understand the history of their visual environment from an unusual and creative angle Drawing on artistic examples from the imaginary natural physical and religious worlds from dragons to eagles butterflies to labyrinths and rainbows to wheels author and art historian Matthew Wilson discusses the lives of these different types of symbols Analyzing their development why they evolved and the various ways they have been interpreted Wilson also explains in what way symbols are markers of identity that is how they gain the power to unite and divide societies Looking at how they have shaped the world beyond the museum Wilson reveals their impact on the appearance of our cities the language of advertising and even the design of corporate logos

A Yankee in the Trenches (WWI Centenary Series) Robert Derby Holmes, 2020-07-14 I have tried as an American in writing this book to give the public a complete view of the trenches and life on the Western Front as it appeared to me and also my impression of conditions and men as I found them It has been a pleasure to write it and now that I have finished I am genuinely sorry that I cannot go further On the lecture tour I find that people ask me questions and I have tried in this book to give in detail many things about the quieter side of war that to an audience would seem too tame I feel that the public want to know how the soldiers live when not in the trenches for all the

time out there is not spent in killing and carnage As in the case of all men in the trenches I heard things and stories that especially impressed me so I have written them as hearsay not taking to myself credit as their originator I trust that the reader will find as much joy in the cockney character as I did and which I have tried to show the public let me say now that no finer body of men than those Bermondsey boys of my battalion could be found R Derby Holmes Corporal of the 22d London Battalion of the Queen s Royal West Surrey Regiment This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

The Great War as I Saw It (WWI Centenary Series) Frederick George Scott, 2016-03-10 May the ears of Canada never grow deaf to the plea of widows and orphans and our crippled men for care and support May the eyes of Canada never be blind to that glorious light which shines upon our young national life from the deeds of those Who counted not their lives dear unto themselves and may the lips of Canada never be dumb to tell to future generations the tales of heroism which will kindle the imagination and fire the patriotism of children that are yet unborn This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Private Peat (WWI Centenary Series) Harold R. Peat, 2021-01-08 In this record of my experiences as a private in the great war I have tried to put the emphasis on the things that seemed to me important It is true I set out to write a book of smiles but the seriousness of it all came back to me and crept into my pages Yet I hope along with the grimness and the humor I have been able to say some words of cheer and comfort to those in the United States who are sending their husbands their sons and brothers into this mighty conflict The book unsatisfactory as it is to me now that it is finished at least holds my honest and long considered opinions It was not written until I could view my experiences objectively until I was sure in my own mind that the judgments I had formed were sane and sound I give it to the public now hoping that something new will be found in it despite the many personal narratives that have gone before and confident that out of that public the many friends I have made while lecturing over the country will look on it with a lenient and a kindly eye This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

A Treasury of War Poetry: British and American Poems of the World War

1914-1917 (WWI Centenary Series) G. H. Clarke, 2016-03-10 The present Anthology contains a number of representative poems produced by English speaking men and women The editorial policy has been humanly hospitable rather than academically critical especially in the case of some of the verses written by soldiers at the Front which however slight in certain instances their technical merit may be are yet psychologically interesting as sincere transcripts of personal experience and will it is thought for that very reason peculiarly attract and interest the reader It goes without saying that there are several poems in this group which conspicuously succeed also as works of art For the rest the attempt has been made within such limitations as have been experienced to present pretty freely the best of what has been found available in contemporary British and American war verse This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

William Orpen, an Outsider in France Caroline Gallois, 2019-01-15 William Orpen 1878 1931 was in 1917 appointed as an official war artist in France He not only saw the Great War as a call to paint serious subject matter enabling him to break away from the constraints of society portraiture in London but also as an opportunity to write Orpen was commissioned along with artists such as Paul Nash Stanley Spencer and Wyndham Lewis to paint for the Department of Information He was the only war artist to keep a written record of his wartime experience published in 1921 as *An Onlooker in France* In his Preface Orpen rather too modestly states This book must not be considered as a serious work on life in France behind the lines it is merely an attempt to record some certain little incidents that occurred in my own life there This art historical study is a companion to this attempt It examines within the context of the global crisis that WWI was and from various theoretical philosophical and literary angles his singular and at times provocative work Orpen set out to provide a textual and visual record of life on the Western Front as well as behind the lines of what was supposed to be the War to End all Wars For want of being a fighting man the non combatant artist writer determined to fight with his own arms his pens and brushes

In Flanders Fields John McCrae, William Edwin Rudge, Ernest Clegg, 2017-08-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved

reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant In Flanders Fields Brian Busby, 2005-10-05 Few people alive today had direct experience of the First World War and yet it seems embedded in the collective consciousness of the combatant nations as a warning to future generations of the futility of military conflict Our awareness of the terror loneliness and desperate hope endured by the men who fought this war we owe to the quality of the art that came out of it not least the poetry Despite the passage of time its ability to move and inspire us remains undimmed as this superb new compilation richly demonstrates Selected from the work of soldiers killed in action starting with Rupert Brooke in 1915 and ending with the tragic loss of Wilfred Owen seven days before the Armistice the poems capture a broad range of emotions contemplations and states of mind ranging from anthems about the brutality of war to wistful evocations of home and loved ones left behind This collection showcases some of the best poetry to emerge from the conflict and stands as a worthy memorial to the collective talent and sacrifice of those who gave their lives **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a

special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada [In Flanders Fields and Other Poems](#) John McCrae, 2002-05-01 **In Flanders Fields, and Other Poems** John McCrae, 2020-11-21 In Flanders Fields and Other Poems by John McCrae **In Flanders Fields and Other Poems** Lieutenant John McCrae, 2014-03 This Is A New Release Of The Original 1919 Edition [Portraits of Battle](#) Peter Farrugia, Evan J. Habkirk, 2021-04-01 All Canadians are taught about Vimy Ridge But that celebrated victory was just one battle among many to shape the country s experience of the First World War Portraits of Battle brings together biography battle accounts and historiographical analysis to examine the lives of a cross section of Canadians who served in the war Contributors to this thoughtful collection consider the range of Canadians touched by war soldiers and their loved ones deserters nurses Indigenous people those injured in body or mind raising fundamental questions about the nature of conflict and memory These portraits of the formerly faceless men and women honoured on war memorials fill in what is often missing from accounts of the Great War In the process they provide a more nuanced perspective on the complex legacy of that war in Canadian history **In Flanders Fields** John McCrae, Sir Andrew Macphail, 2013-11 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification In Flanders Fields And Other Poems John McCrae Sir Andrew Macphail G P Putnam s Sons 1919 English poetry War poetry World War 1914 1918 *In Flanders Fields, and Other Poems* John McCrae, 2020-11-28 In Flanders Fields and Other Poems by John McCrae *In Flanders Fields, and Other Poems* John
