In Between Men:

In Between Men San Culberson, 2010-12-01 One Moment Hope Williams doesn't know what happened the dream life she worked so hard to get suddenly feels like a trap Her successful husband wants her to be wife and mother 24/7 her solid career is becoming a rut and none of her friends get why everything isn't feeling like much to her Only Anthony understands One Night A successful colleague Anthony sees Hope's frustrations Although his low key sensitive ways and good looks are so sexy Hope is sure they can keep their relationship strictly friendship until they spend a sizzling night together Now she can't resist the incendiary passion Anthony promises One Chance But Hope is fast finding out that too much of a good thing may not be nearly enough With her marriage shattered and her life in turmoil she'll have to decide what she's willing to lose and how much more she dares to risk Culberson adeptly portrays characters with their own distinct traits and flaws compelling the reader to examine how she defines happily ever after outside of a fairy tale RT Book Reviews **Between Men** Eve

Kosofsky Sedgwick, 1992 At the time of its first appearance in 1985 *Between Men* was viewed as an important intervention into Feminist as well as Gay and Lesbian studies It was an important book because it argued that sexuality and desire were not a historical phenomenon but carefully managed social constructs This insight that actually originated with Michael Foucault is often viewed as anti humanist or post humanist because it argues that men and women are simply the products of patriarchal power relations over which they have no control By mobilizing Foucault's theories of the history of sexuality Sedgwick re-fashions Feminism and Gay and Lesbian Studies to make it seem as though Feminism and Gay and Lesbian studies are ideally situated to continue those interventions into the history of sexuality begun by Foucault *Between Men*

Richard Canning, 2007-05-17 Lambda Literary Award winning editor Richard Canning brings together all new work by Edmund White Dale Peck James McCourt Andrew Holleran and others *Between Men and Feminism (RLE Feminist Theory)* David Porter, 2013-05-20 *Between Men and Feminism* had its origins in a lively colloquium at St John's College Cambridge in 1990 It discusses how two decades of feminism have affected the ways men define their own masculinities and how they have responded in their own social sexual and political lives to the challenges posed by the evolving feminist critiques of patriarchy and maleness itself The collection contains a great diversity of approaches from Britain and North America It includes viewpoints from academics a poet an educational researcher and the members of an active men's group Gay issues feature prominently as do psychoanalytical views and a number of the pieces provide a refreshingly personal and practical outlook *Between Men and Feminism* shows men finding their own way within the spaces feminism has opened to them rediscovering their own gendered voices and participating in the transformation of controlling ideologies in their daily lives These very readable accounts will appeal not only to students in the social sciences and gender studies but to all men who find themselves responding to the feminist challenge **Medieval Writings on Sex between Men** David

Rollo, 2022-02-22 What happens if a cleric breaks his vows of sexual abstinence What happens if the cleric in question does so

repeatedly with other men of his vocation Eleventh century theologian Peter Damian provides a response What happens if an author uses metaphor as a metaphor signifying and excoriating male same sex relations yet does so in a text showing an exuberant and unabashed orientation towards metaphorical language Is the author in question rhetorically perpetrating precisely the so called affront to nature he grammatically denounces Twelfth century poet Alain de Lille enacts an ambiguously enigmatic response *Love between Men in English Literature* Paul Hammond,1996-11-12 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period Based on new research but aimed at the student and the general reader Paul Hammond discusses major writers such as Marlowe and Shakespeare Tennyson and Wilde Forster and Lawrence but also introduces less familiar texts which cast light on the homosexual culture of their periods There is an extensive bibliography
