Definitely will be reading more from this author. I've loved this series. I never fail to get swept up in Brenda Rothert's words atmosphere and characters and it was sort of sad opening this book knowing this was the end to the Fire on Ice Series however Brenda certainly left me on a high because Orion's book was up there as one of my faves of this series. I adored Samara and Orion. They were the kind of couple that makes you feel all warm and squishy inside.
