Leading With Heart Faith Filled Thoughts On Leadership:

Leading with Heart Ken Hensley, 2015-01-02 John Quincy Adams the sixth President of the United States once defined leadership in these terms If your actions inspire others to dream more learn more do more and become more you are a leader That s a great definition You ve probably heard that leadership is influence thanks to John Maxwell That s true If you re not influencing someone you re not leading them Take Maxwell s definition and through it in the blender with President Adams definition and you have a really good definition of leadership Ask yourself the following questions Do the people I lead dream bigger dreams than before Do the people I lead show a desire to learn more than before Do the people I lead do more on their own initiative without my prompting Do the people I lead become better leaders Here s why many leaders will struggle with these questions for them leadership isn t about those they lead it s about themselves Production oriented leaders may still have influence and by definition still be a leader but they may be failing to harness the power of inspiration The power of inspiration enables a team to go further than a production mindset allows Teams that are dreaming more learning more doing more and becoming more will accomplish more Adams definition of leadership applies across many landscapes Parenting coaching pastoring managing mentoring For over twenty five years I have been privileged to serve in positions of leadership It is a privilege Whenever someone willingly follows your leader you have accepted a sacred responsibility to lead well This ebook is a collection of posts that originally appeared on my blog kenhensley.com Though my main profession has been in professional ministry they are written for leaders of all types As such they approach leadership from a Christian perspective Regardless of your religious persuasion I believe you will find them helpful **A True Leader C.A.R.E.S** Dr. Wain, 2009-01-15 Do you have a desire or calling to lead and no idea where to begin or where you are headed Do you feel you must have a title or position to be a leader Have you been a pastor for years but not effective in developing your leadership team If any of this is trueXthis book is for you This book was not written exclusively for church leadership It will examine leadership principles that are pertinent in every area of life Step by step it will guide you through the process of personal leadership development It is guaranteed to give everyone who is serious about leadership useful tools and incentives to transform lives In Part I it will introduce and define a new term with an old flavorXLeadership Christianity Within its pages you will see how creating change and making good sound decisions are essential in your life as a leader Part II includes a detailed examination and application of the five most important characteristics of a leader who C A R E S Character Attitude Relationships Effective Communications Self Discipline The final chapters of Part III are geared toward action Showing you the leader how these principles can be utilized in your everyday life at home in your church and in your community Rev Wayne P Bowman DMin **Leading with Heart and Soul** Irvin L.
