Life And Terror In Stalins Russia 1931941

Wendy Z. Goldman

Life And Terror In Stalins Russia 1931941:

Life and Terror in Stalin's Russia, 1934-1941 Robert W. Thurston, 1998-11-10 Examining Stalin's reign of terror this text argues that the Soviet people were not simply victims but also actors in the violence criticisms and local decisions of the 1930s It suggests that more believed in Stalin's quest to eliminate internal enemies than were frightened by it [Life and Terror in Stalin's Russia, 1934-1941](#) ,1996 Examining Stalin's reign of terror this text argues that the Soviet people were not simply victims but also actors in the violence criticisms and local decisions of the 1930s It suggests that more believed in Stalin's quest to eliminate internal enemies than were frightened by it **Popular Opinion in Stalin's Russia: Terror, Propaganda and Dissent, 1934-1941** Sarah Davies, 2008 Between 1934 and 1941 Stalin unleashed what came to be known as the Great Terror against millions of Soviet citizens This book is a study of how ordinary Russians experienced life during this period **The Whisperers** Orlando Figes, 2008-11-25 From the award winning author of A People's Tragedy and Natasha's Dance a landmark account of what private life was like for Russians in the worst years of Soviet repression There have been many accounts of the public aspects of Stalin's dictatorship the arrests and trials the enslavement and killing in the gulags No previous book however has explored the regime's effect on people's personal lives what one historian called the Stalinism that entered into all of us Now drawing on a huge collection of newly discovered documents The Whisperers reveals for the first time the inner world of ordinary Soviet citizens as they struggled to survive amidst the mistrust fear compromises and betrayals that pervaded their existence Moving from the Revolution of 1917 to the death of Stalin and beyond Orlando Figes re-creates the moral maze in which Russians found themselves where one wrong turn could destroy a family or perversely end up saving it He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations he examines the Communist faithful who often rationalized even their own arrest as a case of mistaken identity and he casts a humanizing light on informers demonstrating how in a repressive system anyone could easily become a collaborator A vast panoramic portrait of a society in which everyone spoke in whispers whether to protect their families and friends or to inform upon them The Whisperers is a gripping account of lives lived in impossible times [1937](#) Vadim Zakharovich Rogovin, 1998 The first major study by a Russian Marxist Historian of the Stalinist purges which are often collectively referred to by the year they reached their greatest intensity 1937 Rogovin shows that the purges were aimed at the physical annihilation of the growing socialist opposition to Stalin's bureaucratic regime Focused on Leon Trotsky and his thousands of supporters the purges were a blow against the October Revolution its leaders and its heritage **Terror and Democracy in the Age of Stalin** Wendy Z. Goldman, 2007-08-27 Terror and Democracy in Stalin's Russia is the first book devoted exclusively to popular participation in the Great Terror a period in which millions of people were arrested interrogated shot and sent to labor camps In the unions and the factories repression was accompanied by a mass campaign for democracy Party leaders urged workers to criticize and remove corrupt and negligent officials Workers shop foremen

local Party members and union leaders adopted the slogans of repression and used them often against each other to redress long standing grievances Using new formerly secret archival sources *Terror and Democracy in Stalin's Russia* shows how ordinary people moved in clear stages toward madness and self destruction Wendy Z Goldman is a professor of history at Carnegie Mellon University She is author of *Women the State and Revolution Soviet Family Policy and Social Life 1917-1936* Cambridge 1993 winner of the Berkshire Conference Book Award as well as *Women at the Gates Gender and Industry in Stalin's Russia* Cambridge 2002

Inventing the Enemy Wendy Z. Goldman, 2011-08-08 *Inventing the Enemy* uses stories of personal relationships to explore the behaviour of ordinary people during Stalin's terror Communist Party leaders strongly encouraged ordinary citizens and party members to unmask the hidden enemy and people responded by flooding the secret police and local authorities with accusations By 1937 every workplace was convulsed by hyper vigilance intense suspicion and the hunt for hidden enemies Spouses co workers friends and relatives disavowed and denounced each other People confronted hideous dilemmas Forced to lie to protect loved ones they struggled to reconcile political imperatives and personal loyalties Workplaces were turned into snake pits The strategies that people used to protect themselves naming names pre emptive denunciations and shifting blame all helped to spread the terror *Inventing the Enemy* a history of the terror in five Moscow factories explores personal relationships and individual behaviour within a pervasive political culture of enemy hunting

Law and Terror in Stalin's Russia John Hostettler, 2003 The brooding figure of Stalin hovered over communist power in Russia for most of its 74 years Despite its achievements his regime practiced lawlessness and terror over a wide span of territory and people The question that arises is how was he able to exercise dictatorial rule over 170 million people in the many countries making up the Soviet Union for so long Author Hostettler questions whether a different road could have been taken after the Bolshevik Revolution had succeeded He concludes that Stalin's Russia signals a warning against taking a wrong path in seeking human liberty and equality Revolutionary law is no law at all and is no substitute for the rule of law

Popular Opinion in Stalin's Russia Sarah Davies, 1997-10-02 Between 1934 and 1941 Stalin unleashed what came to be known as The Great Terror against millions of Soviet citizens This book is a study of how ordinary Russians experienced life during this period Sarah Davies study uses NKVD and Party reports letters and other evidence to show that despite propaganda and repression the people continued to criticize Stalin and the Soviet regime and complain about particular policies This book sheds light on a hugely important part of Russia's social political and cultural history

Intimacy and Terror Véronique Garros, Natalia Korenevskaya, Thomas Lahusen, 1995 An international collaborative investigation by Russian French and Swiss scholars collects hundreds of private unpublished diaries that record Soviet life during the harshest years of Stalin's purge

The Great Terror: Stalin's Purge of the Thirties Robert Conquest, 1971 The first full account of the purges Stalin ordered in the 1930s Pieces together how Stalin marked his past present and potential opponents for assassination or judicial murder

Rule of Terror Hellmut Andics, 1969

The Forsaken Tim

Tzouliadis,2008 Tzouliadis presents this remarkable piece of forgotten history the story of how thousands of Americans were lured to Soviet Russia by the promise of jobs and better lives only to meet a tragic and until now forgotten end **Road to Terror** J. Arch Getty,Oleg V. Naumov,2010-01-01 Now updated with new facts and abridged for use in Soviet history courses this gripping book assembles top secret Soviet documents translated into English from the era of Stalin s purges The dossiers police reports private letters secret transcripts and other documents expose the hidden inner workings of the Communist Party and the dark inhumanity of the purge process book cover **Life in Stalin's Soviet Union** Kees Boterbloem, Life in Stalin s Soviet Union is a collaborative work in which some of the leading scholars in the field shed light on various aspects of daily life for Soviet citizens Split into three parts which focus on Food Health and Leisure the Lived Experience and Religion and Ideology the book is comprised of chapters covering a range of important subjects including Food Health and Housing Sex and Gender Education Religion Christianity Islam and Judaism Sport and Leisure Festivals There is detailed analysis of urban and rural life as well as explorations of life in the gulag life as a peasant life in the military and what it was like to be disabled in Stalin s Russia The book also engages with the wider Soviet Union wherever possible to ensure the most in depth discussion of life in all its minutiae under Stalin This is a vitally important book for any student of Stalin s Russia keen to know more about the human history of this complex period of dictatorship Stalin Edvard Radzinsky,1997-08-18 From the author of The Last Tsar the first full scale life of Stalin to have what no previous biography has fully obtained the facts Granted privileged access to Russia s secret archives Edvard Radzinsky paints a picture of the Soviet strongman as more calculating ruthless and blood crazed than has ever been described or imagined Stalin was a man for whom power was all terror a useful weapon and deceit a constant companion As Radzinsky narrates the high drama of Stalin s epic quest for domination first within the Communist Party then over the Soviet Union and the world he uncovers the startling truth about this most enigmatic of historical figures Only now in the post Soviet era can what was suppressed be told Stalin s long denied involvement with terrorism as a young revolutionary the crucial importance of his misunderstood behind the scenes role during the October Revolution his often hostile relationship with Lenin the details of his organization of terror culminating in the infamous show trials of the 1930s his secret dealings with Hitler and how they backfired and the horrifying plans he was making before his death to send the Soviet Union s Jews to concentration camps tantamount to a potential second Holocaust Radzinsky also takes an intimate look at Stalin s private life marked by his turbulent relationship with his wife Nadezhda and recreates the circumstances that led to her suicide As he did in The Last Tsar Radzinsky thrillingly brings the past to life The Kremlin intrigues the ceaseless round of double dealing and back stabbing the private worlds of the Soviet Empire s ruling class all become in Radzinsky s hands as gripping and powerful as the great Russian sagas And the riddle of that most cold blooded of leaders a man for whom nothing was sacred in his pursuit of absolute might and perhaps the greatest mass murderer in Western history is solved *Stalin's Terror* B. McLoughlin,K. McDermott,2002-12-11 The British Irish Russian

American German and Austrian contributors examine the intricate nature of the mass repression unleashed by the Stalinist leader of the USSR during 1937-38. The first part of the collection deals with annihilation policies against the Soviet elite and the Communist International. The second section of the volume looks at mass operations of the secret police NKVD against social outcasts, Poles and other hostile ethnic groups. The final section comprises micro studies about targeted victim groups among the general population.

Stalin's Terror Revisited M. Ilic, 2006-03-28 In this ground breaking collection a team of leading experts offer a detailed examination of under researched aspects of Soviet political repression in the 1930s. Drawing on archival documents and materials that have received little attention in Western historiography much of the information detailed here is in English for the first time.

Bitter Waters Gennady M. Andreev-Khomiakov, 2018-02-22 One dusty summer day in 1935 a young writer named Gennady Andreev Khomiakov was released from the Siberian labor camp where he had spent the last eight years of his life. His total assets amounted to 25 rubles, a loaf of bread, five dried herrings and the papers identifying him as a convicted enemy of the people. From this hard pressed beginning Andreev Khomiakov would eventually work his way into a series of jobs that would allow him to travel and see more of ordinary life and work in the Soviet Union of the 1930s than most of his fellow Soviet citizens would ever have dreamed possible. Capitalizing on this rare opportunity Bitter Waters is Andreev Khomiakov's eyewitness account of those tumultuous years, a time when titanic forces were shaping the course of Russian history. Later to become a successful writer and editor in the Russian community in the 1950s and 1960s Andreev Khomiakov brilliantly uses this memoir to explore many aspects of Stalinist society. Forced collectivization, Five Year Plans, purges and the questionable achievements of shock worker brigades are only part of this story. Andreev Khomiakov exposes the Soviet economy as little more than a web of corruption, a system that largely functioned through bribery, barter and brute force and that fell into temporary chaos when the German army suddenly invaded in 1941. Bitter Waters may be most valuable for what it reveals about Russian society during the tumultuous 1930s. From remote provincial centers and rural areas to the best and worst of Moscow and Leningrad Andreev Khomiakov's series of deftly drawn sketches of people, places and events provide a unique window on the hard daily lives of the people who built Stalin's Soviet Union.

The Great Fear James R. Harris, 2016 A new and original explanation of Stalin's Terror showing how Soviet leaders developed a grossly exaggerated fear of conspiracy and foreign invasion and created a Terror that was wholly destructive not merely in terms of human life but also in terms of the interests of the Party that managed it.

If you ally dependence such a referred **Life And Terror In Stalins Russia 1931941** ebook that will pay for you worth, acquire the categorically best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are in addition to launched, from best seller to one of the most current released.
