**Sell Beer! How to Start a Brewery from the Ground Up** Stanley Harper, 2021-05-21

Sell Beer How to Start a Brewery from the Ground Up Did you know you can make real money by making and selling your own beer Do you have a passion for brewing new flavors of beer and want to make a living selling your refreshing drinks Are you looking for a business that is always in demand Consider starting a brewery Who doesn't love to drink beer A startup brewery is not all about just brewing good beers There's lots of competition out there and in reality there will always be people who make good or even better beers Planning is a very big part of your beer journey As a future business owner you need to be on top of a lot of things It's not just your beer recipe and finances that you need to be worried about you also need to keep track of the regulations and laws of your state the construction of your brewery your equipment your deliveries etc You'll need a plan You also need to have a pulse on what is going on in the market and your demographic This is so you can adjust or tweak your plan accordingly Throw your pride and your stubbornness out of the window Sure your first plan may seem great at first but as you steadily work on it and start to figure things out you will find that what you initially had in your head might not work at all Building a good business plan needs a lot of research foresight and understanding of the market It's a lot of work trust me But for this book I sat down with my wife and wrote down what we think will help you out Now my wife and I haven't always had the most business savvy of minds and when this all began we were just a couple of wide-eyed newbies eager to follow our passions Of course while they always tell you to follow your dreams and reach for the stars and all that life isn't all sunshine and butterflies Passion can only get you so far and the cold harsh truth of reality is that to succeed you need an actual plan if you don't want to end up miserable and broke Follow your passion With all that said and after building my own micro beer brewery from the ground up I've decided to share everything I know to make sure you dear reader don't fall into the same traps I fell into when I was first starting out This isn't a how to for brewing beer mind you you'd pretty much already have that down pat if you're a real aficionado Instead what I'd like to do with this book is to show you the ropes and guide you through the business side of things and no you don't really need a Business degree to make it out of this commercial world unscathed How do I start creating the brewery of my dreams Here's what you will learn in my book All About the Statistics and Numbers What a Microbrewery is vs a Craft Brewery The minimal Basics of Beer Making Creating the Business Plan How to Conduct Market Research and Consumer Analysis Finding a Location Leasing or Buying the Equipment You'll Need Finances and Startup Costs What to Consider with Financial Planning Ways to Gain Funding Legal Identity Business Name and Trademark Advice How to File for a Brewer's Notice in the Alcohol

and Tobacco Tax and Trade Bureau A Discussion of the Licenses You Will Need Insurance Advice Real Life Marketing Strategies Staffing and Boosting Morale This book isn't a business course textbook I want to show you from a real world example how you can start run and grow a successful brewery that you can be proud of It won't happen overnight but with careful planning and the help of this book you can make it happen

**How NOT To Start A Damn Brewery** Kelly Kfm Meyer, 2021-08-02 After 10 years owning and managing a brewery I've learned some things Namely that if I wanted to make any money I should have stayed in the fitness business This book will teach you the right way to start and operate a brewery by pulling back the curtain on all the wrong things I did when I founded my small family run brewery The New Braunfels Brewing Company back in 2012 It's a bit of a How To in reverse My 10 mistakes will walk you through recipe design equipment selection distributor relations and even how to deal with online beer reviews The final chapter is how to manage your cash flow which might be the most important lesson you can learn I truly want you to be successful in your business and have all the fun But buckle up because you've got a lot of preparation and planning to do if you ever hope to make that happen The lessons you'll learn will help you in any business but I wrote it for brewery folk There are formulas bad jokes and real world examples that will show you where all the landmines are and how to avoid them I'll probably make you laugh I'll likely make you mad and I hope I don't make you cry But if you read my book I will definitely make you better equipped to open any business but especially your own brewery How Not To Start A Damn Brewery is a must read for anyone looking to open a damn brewery Kelly's authentic creative and unorthodox style of brewing beer is reflected in his writing snowflakes be warned You will laugh you might be offended but at the end of it you will have learned tricks of the trade from one of the best damn brewery owners around Matt Smart Sales Manager Bluebonnet Distributing Kelly offers a sincere take on what it is like navigating the ups and downs of today's beer market in the US While Kelly and I express ourselves in different ways there is no mistaking his concern for the current state of how things are done as well as enlightening the new brewery owner to the lessons learned from his mistakes His candor and willingness to share an unedited version of his life in the industry is refreshing and rare Seth Weatherly 5 Stones Artisan Brewery Would be brewers will save themselves a lot of tears and bad beers if they give this book a read Experienced pros will get a laugh because they made the same damn mistakes And any beer drinker will enjoy this authentic and fun inside look at what it takes to put a beer in your glass Don Russell Creator Chief Beer Drinker at Joe Sixpack's Philly Beer World
