Rescuing Women from American Mythology Michael A. Solis, 2021-03-17 This book explores American mythology through the lens of comic books and superheroes specifically exploring the subject from an historical perspective in order to capture the origins of sexism and misogyny as found in the comic book stories that have shaped so many young people and their attitudes It provides a detailed analysis of America's inextricable relationship with sexist institutions specific historical events and cultural attitudes all of which are captured by and perpetuated in comic books TV film and advertising The implicit argument this book makes is that sexism and misogyny are not the product of nefarious individuals with overt agendas instead sexism and misogyny are products of our mythology and the associated archetypal components that shape a fabricated design of the world a design shaped by men and unwittingly agreed to by women thus perpetuating a male dominated mythological religious and historical social structure **Kick-Ass: The Dave Lizewski Years Book 1** Mark Millar, 2018-02-14 This month marks 10 YEARS OF KICK ASS the greatest superhero comic of all time It's been a decade since teen comic book nerd Dave Lizewski donned his homemade Kick Ass costume and took to the streets of NYC to fight the city's hardest criminals This New York Times bestseller became a worldwide phenomenon overnight spending three months at the top spot on the Diamond Direct Market chart and spawning the KICK ASS movie that opened at No 1 in the box office
