**The HTML of Cruciform Love** John Frederick, Eric Lewellen, 2020-01-01 Despite an increasing portion of our lives being conducted online the topic of the internet is vastly underrepresented in the current literature on technology and theology The HTML of Cruciform Love challenges outdated misconceptions about internet theology and asserts that there is no topic more pertinent to our daily walk as contemporary followers of Jesus Christ than the theological implications of the internet age These twelve essays investigate the themes of community and character formation in the digital realm A host of interrelated sub themes are represented including the application of patristic theology to contemporary internet praxis a demonology of the internet and virtue ethics in cyberspace while other studies consider the influence of internet technology on aesthetics personhood and the self Together the essays work towards a collaborative constructive cruciform theology of the internet as something more than a supplementary component to our personal lives rather it is a vital medium for the digital communion of the saints through the HTML of cruciform love

**M. Stanton Evans** Steven F. Hayward, 2022-03-22 M Stanton Evans d 2015 was one of the unsung heroes and key figures of the modern conservative movement offering a model to be remembered and emulated in both thought and deed A person of extraordinary breadth he combined the roles of journalist first rank thinker and political action often at the center of crucial events for the conservative movement from the mid 1950s to his last decade in the 2010s He was the principal author of the Sharon Statement the founding document of Young Americans for Freedom Evans was also a mentor to an entire generation of conservative writers and journalists including Ann Coulter John Fund Martin Morse Wooster Tim Carney Richard Miniter William McGurn and this author Evans was libertarian in economics and policy traditionalist in moral and social matters respectful of religion and resolutely anti Communist Over the years he wrote a number of elegant articles

and one book *The Theme is Freedom* that reconciled many of the strains that often appear between these differing schools of conservative thought He also wrote a controversial defense of Joseph McCarthy *Blacklisted by History* which is one of many examples of his fearlessness in contesting the conventional wisdom Beyond his professional profile Stan was also known for his ironic dry wit which only came out in person as well as his personal modesty and kindness and fondness for fast food sports and classic rock and roll music trivia He was the conservative for the common man      *Analysing Political Speeches* Jonathan Charteris-Black,2018-08-24 Exploring speeches by public figures such as Emma Watson Tony Blair Donald Trump Julia Gillard and Lady Gaga this engaging textbook explains the ways in which political speeches can be analysed It examines the role of language in speeches and how it can be used to challenge or reinforce prevailing social cultural and political attitudes Each chapter introduces a particular discourse approach and then applies this in a model analysis of a passage of text The chosen texts concern issues of social cultural and political importance that address topics of significant importance to the audience to which they were delivered Students are encouraged to engage with the text and consider how approaches to text analysis such as cohesion context analysis and metaphor analysis may be adapted to provide a more critical perspective This text will be essential reading for students of English language linguistics communication studies and politics on critical discourse and discourse analysis modules      **Unconventional Routes** Gillian Fawcett,2024-09-28 Being a businesswoman on a whirlwind tour of forty three countries is no ordinary adventure *Unconventional Routes* takes you on a wild ride offering a glimpse into the highs and lows of global exploration Fasten your seatbelt and prepare to embark on a journey that will have you laughing cringing and gasping at the absurdities of Gillian Fawcett s encounters around the world No two journeys were ever alike Each possesses its own unique flavour seasoned with a generous blend of incidents ranging from side splitting hilarity to spine tingling unease and at times hair raising danger It s a never ending game of travel roulette where the next destination holds the mystery of what adventure awaits      *Insider X* Dave Buschi,2014-02-02 Facility 67096 It shapes our thoughts Shapes our world Manipulates us And it seeks one thing the destruction of everything we hold dear Marks and Lip one a former Marine the other a cyber specialist for the NSA are our answer to Facility 67096 What is Facility 67096 It controls the Web Has controlled it ever since the beginning We think we know the enemy but we don t even know ourselves Facility 67096 has done this to us It has fooled the world Preyed on our blind spot It has been right in front of us all this time and we never saw it Until now *INSIDER X* is the latest thrill ride from Dave Buschi author of *THE BACK DOOR MAN* and *PROPORTIONATE RESPONSE* May your eyes be opened      *Global Issues 2022 Edition* CQ Researcher,2021-08-26 Written by award winning CQ Researcher journalists this collection of non partisan reports offers an in depth examination of today s most pressing global issues      *Manufacturing Celebrity* Vanessa Díaz,2020-08-14 In *Manufacturing Celebrity* Vanessa D az traces the complex power dynamics of the reporting and paparazzi work that fuel contemporary Hollywood and American celebrity culture Drawing on ethnographic fieldwork her experience reporting for

People magazine and dozens of interviews with photographers journalists publicists magazine editors and celebrities Diaz examines the racialized and gendered labor involved in manufacturing and selling relatable celebrity personas Celebrity reporters most of whom are white women are expected to leverage their sexuality to generate coverage which makes them vulnerable to sexual exploitation and assault Meanwhile the predominantly male Latino paparazzi can face life threatening situations and endure vilification that echoes anti immigrant rhetoric In pointing out the precarity of those who hustle to make a living by generating the bulk of celebrity media Diaz highlights the profound inequities of the systems that provide consumers with 24 7 coverage of their favorite stars

**CyberWar, CyberTerror, CyberCrime and CyberActivism** Julie Mehan,2014-05-08 This book encourages cybersecurity professionals to take a wider view of what cybersecurity means and to exploit international standards and best practice to create a culture of cybersecurity awareness within their organization that supplements technology based defenses

*Encyclopedia of Hair* Victoria Sherrow,2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics

*America Without a Compass* Ph. D.,2016-01-22 Americans tried to fix the world and neglected the home front resulting in failure at both ends Ignorance became fashionable and opportunistic polymorphous predators parasites and false prophets took advantage of the situation It is hard to believe how far the nation fell into violent interracial melodramas political mediocrity incivility and confusion There is no agreement on what is good and evil Everything is relative ugly and pretty real and false right and wrong American society suffers from a lack of coherence and consistency and such a heavy

burden of illogical non sense that it can no longer handle all the contradictions We are unaware of where we are going

*Invocational Media* Chris Chesher,2023-10-19 *Invocational Media* critiques the sociotechnical power of digital technologies by introducing the concept of invocational media What is an invocation Ask your voice assistant and it will define it for you It is a media artefact that responds to many invocations such as seeking the weather forecast requesting any song you can name or turning on the lights almost magically This contemporary manifestation of the ancient practice of invocation gives an immediate response to your call in a way that Chris Chesher argues is the characteristic power of all computers which he redefines as invocational media This book challenges the foundations of computer science by offering invocation as a powerful new way of conceptualising digital technologies Drawing on media philosophy Deleuze Guattari Heidegger Latour Austin Innis and McLuhan it critiques the representationalism of data processing artificial intelligence and virtual reality Invocational media seem to empower individuals but necessarily subject users to corporate and government monopolies of invocation They offer many solutions but only by reducing everything to the same kind of act They complicate agency in their indifference as to whether invokers are human or non human With robotics they invoke material form to act physically and autonomously People willingly make themselves invocable to surveillance and control by creating their own profiles and marking themselves with biometrics This ground breaking book will change how you think about digital media by showing they are in fact invocational media
