

Endure

- What can't be cured, must be **endured**.
- He knows best what good is that has **endured** evil.
- All commend patience, but none can **endure** to suffer.
- He that would have eggs must **endure** the cackling of hens.
- Governments, if they **endure**, always tend increasingly toward aristocratic forms.
- The final proof of greatness lies in being able to **endure** criticism without resentment.
- So enjoy, **endure**, survive each moment as it comes to you in its proper sequence -- a surprise.
- This is the story of what a Woman's patience can **endure**, and what a Man's resolution can achieve.
- I will love the light for it shows me the way, yet I will **endure** the darkness because it shows me the stars.
- Man cannot **endure** his own littleness unless he can translate it into meaningfulness on the largest possible level.
- It is easier to find men who will volunteer to die, than to find those who are willing to **endure** pain with patience.
