opened in surrender Protestant hard liners staged a coup de ville and drove him away in disgrace a traitor to the cause But Robert is more memorable for his peace seeking moderation than for the treachery the standard history attributes to him William Steel Dickson s legacy is a little different a Presbyterian minister born in the late 18th century he preached with famous eloquence in favour of using whatever means necessary to resist the tyranny of the English including joining forces with the Catholics in armed rebellion Finally there is Billy Lundy born in 1890 the antithesis of the ecumenical William and the embodiment of what the Ulster Protestants had become by the beginning of World War I a tribe united in their hostility to Catholics and to the project of an independent Ireland The lives of Robert Lundy William Steel Dickson and Billy Lundy encapsulate many themes in the Ulster past In telling their stories Derek Lundy lays bare the harsh and murderous mythologies of Northern Ireland and gives us a revision of its history that seems particularly relevant in today s world
