Like Dreaming Backwards Script:

Reality Transurfing: steps 1-5 Вадим Зеланд, 2019-11-18 Transurfing is a powerful technology of managing reality Apply it and life will begin to change under YOUR order The goal during using Transurfing doesn't reach but implemented for the most part itself It's impossible to believe but only at first sight The ideas presented in the book have already found practical confirmation Those who tried to do the Transurfing was surprised bordering on delight The surrounding world of Transurfer is inexplicably changing before our eyes Yeats Richard J. Finneran, 1989-05-05 Contains the best of recent Yeats criticism **Paris Dreaming** Anita Heiss, 2023-08-30 Libby is determined to stay on her no man fast no more romance no more cheating men no more heartbreak But in the city of love there is no escaping fate A hilarious and heartfelt romantic comedy from bestselling Wiradyuri author Anita Heiss Libby has given up on romance After all she has her three best girlfriends and two cats to keep her company at night and her high powered job at the National Aboriginal Gallery in Canberra to occupy her day isn't that enough But when fate gives Libby the chance to work in Paris at the Musée du Quai Branly she's thrown out of her comfort zone and into a city full of culture fashion and love Surrounded by thousands of gorgeous men romance has suddenly become a lot more tempting *Beyond the Burn Line* Paul McAuley, 2022-09-22 WHAT WILL BECOME OF US In the deep future beyond the burn line of the Anthropocene and the extinction of humanity the city states of an intelligent species of bear have fallen to a mind wrecking plague The bears former slaves a peaceable industrious and endlessly curious people believe that they have inherited the bounty and beauty of their beloved Mother Earth But are they alone After the death of his master a famous scholar Pilgrim Saltmire vows to complete their research into sightings of so called visitors and their sky craft To discover if they are a mass delusion created by the stresses of an industrial revolution or if they are real a remnant population of bears which survived the plague or another unknown intelligent species Risking his reputation and his life Pilgrim's search for the truth takes him from his comfortable home in the shadow of a great library to his tribe's former home on the chilly coast of the far south and the gathering of a dangerous cult in the high desert Whether or not the visitors are real one thing is certain Pilgrim's world and everything he thought he knew about his people's history will be utterly changed McAuley's fabulous far future impacted by the consequences of global warming colonisation and historical injustices explores and reflects our own challenges while telling a fast paced story of discovery and adventure W.B.
