F700gs Warning Symbol:

Warning Signs Marcel Danesi, 2021 Warning signs are all around us In ancient Egypt tombs were lavishly adorned with signs and symbols warning of the dire consequences that would befall any robbers and thieves And yet these signs were often read as provocations and challenges Why was this And how could we more effectively communicate dangers from our world such as toxic waste to future civilizations This book examines and evaluates the kinds of signs symbols narratives and other semiotic strategies humans have used across time to communicate the sense of danger From paleolithic cave art and ancient monuments to the dangers of nuclear waste carbon emissions and other pollution Marcel Danesi explores how danger has been encoded in language discourse and symbolism At the same time the book puts forward a plan for a more effective semiotising of risk and peril calling on linguists semioticians and agencies to face up our collective responsibilities and work together to more clearly communicate vitally important warnings about the dangers we've left behind to civilizations beyond the semiotic gap
