Peer-to-peer Training Facilitator's Guide Michele N. Costanza, 2009 The peer to peer P2P training approach involves small groups of people from similar social groupings who are not professional teachers helping each other to learn The P2P approach has great potential for rapidly identifying emerging lessons learned and integrating them into wide reaching Army training The present research identified the instructional principles and best practices for P2P from academia industry and the military supporting effective P2P training and incorporated them into a Soldier friendly facilitator's guide A formative evaluation was conducted with Soldiers using the guide to prepare and conduct group discussions for a face to face group setting and a distributed group setting where Soldiers were linked via video teleconference One group of Soldiers served as facilitators and used the facilitator's guide to prepare and lead discussions with other Soldiers who served as learners Feedback on the guide was mostly positive with Soldiers indicating that the guide provided an appropriate amount of information and a usable format and tools for structuring and fostering group discussions Ongoing efforts to transition P2P methods into Army training are discussed

[Healing Men's Pain Curriculum, Facilitator's Guide](#) Dan Griffin, Jonathan De Carlo, 2024-09-10 A 36 hour curriculum designed to help men overcome past trauma and develop the skills they need to live safe and caring lives Healing Men's Pain Curriculum helps male identified participants create a vision of the men they want to be and provides them with the awareness tools and confidence to achieve that vision Each of the 18 two hour cofacilitated sessions includes activities exercises and experiential opportunities enabling each participant to connect with the content on a personal level The

program is wide ranging and encompasses a variety of topics to help participants develop increased self awareness to enhance their relationships Participants explore their childhood adolescent and adult trauma relational struggles particularly issues of healthy attachment and other issues that male identified individuals often experience The material in Healing Men s Pain Curriculum will stretch both participants and facilitators alike The sessions are designed to take a deep and comprehensive look at everything that blocks men from being the best men they can be The curriculum speaks to all learning styles through the use of art physical movement and roleplays Participants are given additional learning opportunities in the form of assignments to complete between sessions These assignments build upon the roleplays and in session practice to help participants translate the material directly into their own lives Help men address their traumas develop self awareness and build healthier relationships in recovery programs mental health groups or other settings Pick and choose from 18 intentionally designed lessons or use the entire curriculum in order Access engaging activities that get participants moving and talking despite diverse learning styles and backgrounds Focus on male socialization narrative therapy and interactive learning to help participants develop understanding of themselves and others Written by an expert on masculinity with a Master s degree in gender studies this curriculum is an excellent foundation or supplement to addiction programs trauma groups men s groups church groups and beyond Designed as a compliment to Helping Men Recover *The TWI Facilitator's Guide* Donald A. Dinero,2016-09-19 There are many books available covering the Training Within Industry TWI programs but few include any unique material on adaptation or modification This dearth of new has caused practitioners to alter the programs without understanding the underlying principles These changes have made the programs less effective One must however maintain the principles used in the programs when changing the delivery of the programs to suit the culture The purpose of The TWI Facilitator s Guide How to Use the TWI Programs Successfully is to prevent the TWI programs from falling into misuse and disuse This book will explain the main principles of the TWI programs and what they can accomplish but it will also stress what they are not This book reviews what the programs are and then explains how to use them It tells why we do certain aspects of each program When we know why we do something we won t stop doing it for the wrong reason
