The College Board Review, 1995 **Achieve the College Dream** Maria Carla Chicuen, 2016-05-19 Students with few resources rarely apply to top colleges. Even when they have the academic and extracurricular merits to be admitted to institutions like Harvard, Yale, and Princeton, these students usually opt for less selective universities. Many ignore that top colleges are actively seeking outstanding candidates regardless of their economic background. What's more, a great number of colleges offers generous financial aid to make sure every student can afford to attend. This book is the definitive resource to help high-achieving, low-income students access the best possible college. The
