Fair Sunshine Character Studies Of The Scottish Covenanters:

Fair sunshine ,1982 *Fair Sunshine: Character Studies of the Scottish Covenanters* Jock Purves, Banner of Truth Trust, London, 1968 *Fair Sunshine* Jock Purves, 18?? Fair Sunshine. Further Studies of the Scottish Covenanters. [With Plates.] Jock PURVES, **From Legalism to Freedom** Dallas R. Burdette, 2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is Where the Scriptures Speak One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God s righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God s children Chapter 1 2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary **Why America Hates Biblical Christianity** David Harrell, 2021-02-23 As never before in American history Christians are witnessing biblical values being replaced by laws that impose a godless immoral oppressive social agenda on their country The overall disdain political and religious liberal activists have toward conservative values in general and authentic Christianity in particular has produced an ideological civil war that is raging out of control But many people sense there s something more sinister going on something beyond the realm of ideological divides something evil perhaps even eschatological and that s the position of this book Here you will learn the interplay between two corresponding evils that have been secretly gaining strength in America for many years human depravity and Satanic deception One is an enemy in us the other is an enemy of us These corrupting influences have destroyed every empire in history powers so formidable and so deceptive that they now threaten the Constitutional Republic of the United States This book addresses the interplay between these destructive forces from a biblical perspective and then demonstrates how they manifest themselves in our culture while at the same time encouraging authentic Christians to stand firm in their faith for the glory of Christ as

we await His return All Authority Joey Shaw,2016-02-01 Everybody who follows Jesus will encounter a myriad of authorities that directly challenge the authority of Christ These other authorities may be parents teachers bosses presidents institutions religions or ideologies In order to stay firm in devotion to Jesus we must believe that He has supreme authority over all Not partial authority not most authority all authority On the basis of his authority he commissioned his people to go and make disciples among every people group on earth This is an impossible commission if it were not for the promise that he is with them forever The doctrine of the supreme authority of Christ not only upholds the work of the church it is the central message that the church preaches Jesus is Lord is good news Joey Shaw is the International Field Office Director for the Austin Stone Community Church and a regular contributor at Verge Joey and his family live outside the United States where they serve unreached peoples for the glory of Christ **Revelation** Joel R. Beeke,2016-10-21 Are you confused by the great variety of interpretations of the book of Revelation such as the preterist the historicist the futurist the idealist and an eclectic approach that embraces the strengths of all these Would you like a clear understanding of various millennial approaches related to the last times In this book of sermons on Revelation Joel Beeke gives you all this and much more as he preaches through Revelation in a thoroughly biblical doctrinal experiential and practical way intended to comfort and mature believers to warn the unsaved to flee to Christ for salvation and to exalt Christ as the King of kings and only Head of His church Destiny Secrets Carole Stovall Hamilton,2023-09-28 What would you do if you were given a huge wealth transfer Something so extravagant it could be world changing And how much would it mean to you to be led by God so clearly you d connect with the right influencers to see it change everything on a dime It happened True history Destiny making history And the secrets they learned are here for you to use Holy spiritual equipment This is your invitation *Your Daily Journey with God* David Jeremiah,2016-10-01 No matter how much time you spend in Scripture there is always something new to learn be it a fresh take on a favorite verse or a new piece of wisdom you ve simply never noticed before That s the beauty of God s Word In *Your Daily Journey with God* New York Times bestselling author Dr David Jeremiah distills the wisdom of the Bible into 365 beautifully crafted devotional readings that will help ground and guide you every day of the coming year Featuring specially selected Bible verses and quotations from such respected Christian thinkers and writers as C S Lewis Charles H Spurgeon A W Tozer J I Packer D L Moody and countless others this stunning pocket sized devotional is sure to enhance and enrich your daily walk with God *Trial and Triumph* Richard M. Hannula,1999 for saxophone quartetA slow movement which explores the beautiful sonorities of saxophones played softly Fifty Ways to Leave Left Behind Roger Snow,2007-12 Exodus and Revelation both begin with tribulation and end in wedding vows In both books a dragon waits to eat the Messiah child In both books a woman flies away on eagles wings to live in a new promised land Old Texts Through New Eyes Dallas R. Burdette,2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God s people to lay an embargo on freedom in favor of their own exclusive doctrine or

understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

Many Will Say John Mackay, My aim in writing this book is to alert people to the possibility that as in other important matters we are liable to be mistaken it is no different for spiritual issues In fact with the devil trying his utmost to make us err it is even more likely to occur spiritually The writing uses as its centerpiece one particular verse from the book of Matthew but it also draws from the surrounding context in the chapter and associated evidence in adjacent chapters It draws on the broad themes contained in the text to illustrate issues relevant to the subject of gospel interpretation

Philippians David T. Strain, 2019-03-26 To know that we are not alone to come to depend on one another and to work together for the good of the lost and the glory of God these are vital needs of the church in every age but perhaps especially today The letter of Paul to the Philippians written amid suffering yet ringing with joy calls for

precisely this kind of Christian unity In this expository commentary David T A Strain develops the apostle s theme that the life of a Christian is incomplete and immeasurably weakened when lived apart from the fellowship of the whole church Strain not only provides a faithful explanation of the epistle to the Philippians but also shows the contemporary relevance and urgency of its message *J.B.
