Shakespeare,1864 **A Life Interrupted** Michael P. Langelaan,2003 Michael Langelaan s first book A Life Interrupted explores the sometimes stormy relationship between parents and their children It is the story of Alex Fray a troubled man who had been given up at birth by his biological parents It would be an understatement to say that there were challenges during Alex s early years which include two sets of adoptive parents encounters with the law experimentation with drugs and poor school grades however the author cleverly utilizes the character s foibles and inadequacies to form the basis for a compelling tale of courage and determination Alex is faced with emotional and physical obstacles in his quest to find the love and acceptance he so desperately seeks but his journey eventually leads him home culminating in a bizarre twist of fate that reveals his true identity A Life Interrupted underscores the impact that parents words and behaviour have on their children s lives and demonstrates how some parental decisions can lead to dire consequences Please visit home cogeco ca
