**Democracy in America?** Benjamin I. Page, Martin Gilens, 2020-04-02 Important and riveting The solution isn't to redistribute wealth from the haves to the have lesses It's to redistribute political power to everyone Robert B Reich America faces daunting problems stagnant wages high health care costs neglected schools deteriorating public services How did we get here Through decades of dysfunctional government In *Democracy in America* veteran political observers Benjamin I Page and Martin Gilens marshal an unprecedented array of evidence to show that while other countries have responded to a rapidly changing economy by helping people who've been left behind the United States has failed to do so Instead we have actually exacerbated inequality enriching corporations and the wealthy while leaving ordinary citizens to fend for themselves What's the solution More democracy More opportunities for citizens to shape what their government does To repair our democracy Page and Gilens argue we must change the way we choose candidates and conduct our elections reform our governing institutions and curb the power of money in politics By doing so we can reduce polarization and gridlock address pressing challenges and enact policies that truly reflect the interests of average Americans Updated with new information this book lays out a set of proposals that would boost citizen participation curb the power of money and democratize the House and Senate Brilliant indispensable and highly accessible *New York Journal of Books*

**The Two-Party Trap** Steven Verrier, 2022-08-12 The United States has become increasingly polarized although the concept of a two party system is not new This book traces the major parties utter dominance of the highest elected positions all the way down to nonpartisan political offices across the U S from the founding of the Constitution through the 2020 presidential election Even before the founding of the modern Republican Party in 1854 and the next 168 year era of Democratic GOP dominance the early decades of American nationhood were ruled in a similar manner by the two major parties of the day This book is a comprehensive fast paced analysis of how the two party system has grown to be such an affront to the ideals of the Founding Fathers and of the numerous Americans today who appear to accept it as a fact of life

**Our Social World** Jeanne H. Ballantine, Kathleen Odell Korgen, 2022-10-14 The Eighth Edition of Our Social World Introduction to Sociology inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis The consistent application of the Social World Model across chapters helps encourage the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of disparate subjects

*The Tweets of President Donald J. Trump* Forefront Books, 2020-07-28 Love them or hate them the tweets of President Donald J Trump rule the Twitterverse Until our last presidential campaign television particularly campaign ads dominated the political landscape But with the rise of Donald J Trump came a new political tool the internet Trump used this to communicate instantly and very effectively with the American people And it worked Establishing his political positions by tweeting numerous times a day Trump pulled a major upset by defeating Hillary Rodham Clinton to become the 45th president of the United States Once in office Trump did not abandon his penchant for using Twitter as his populist platform Instead he doubled down on it making it his primary means of communicating with the American people Knowing how effective a tweet can be Trump once wrote Boom I press it and within two seconds we have breaking news With a massive Twitter following of 78 million by the spring of 2020 Trump s direct impact upon Americans cannot be dismissed nor can the value of his tweets as an essential part of the historical record be denied To put the enormous impact of his tweets into perspective Trump won the White House with 63 million votes a number significantly lower than his massive Twitter following Now you can read the collected tweets from President Donald J Trump from his inauguration through February 2020 in this historically significant collection

**Democracy, Elections, and Constitutionalism in Africa** Charles Manga Fombad, Nico Steytler, 2021 This volume examines democracy and elections in Africa taking stock of the state of constitutional democracy on the continent after the democratic gains of the 1990s and 2000s focusing on how competitive politics or multiparty democracy can be realized and how through competition such politics could lead to better policy and practice outcomes
