trooper who carried a rifle and rucksack in Vietnam now carries around in his own mind a book full of stories similar to these Written some sixteen years after it took place this story tells how I envisioned the Vietnam War during the late 1960s I was young and inexperienced and had no doubts that my country was doing the right thing by its involvement in this faraway land I knew practically nothing about the political relationship between this small country and mine and merely accepted the fact that we were right and they were wrong and that was that Being a product of the post World War II baby boom I was brought up hating communism even though I knew very little about it Serving a year in Vietnam instilled in me the knowledge that communism was truly a reign of horror and though I still feel our cause was just I now have doubts and questions that I fear may forever go unanswered Charles Gadd from the Author s Note The Illustrated Book of the Dog Vero Shaw,1879
