

## **Inferences Worksheet 3 | Answer Key**

1. Ryan is allergic to cats.

**Ex:** I know this because as soon as he walks into the house, his eyes start getting irritated, and then he sees the cat. People who are allergic to cats will display these symptoms when around cats.

2. Ryan wants to call his mother so that he can go home.

**Ex:** I know this because he apologizes and because he is having an allergic reaction.

3. Mom and William are going to the beach.

**Ex:** I know this because they are applying sunblock, bringing lawn chairs, and packing a large umbrella. These are items that are used at the beach.

4. Georgie is a dog.

**Ex:** I know this because William almost trips over one of his chew toys and Mom seems really unconcerned with Georgie's disappearance.

5. Alvin and Elijah were probably playing basketball in the gym or somewhere else.

**Ex:** I know this because they were both very sweaty and Elijah was carrying a basketball.

6. Rodney was acting strangely because he knew where Alvin and Elijah went.

**Ex:** I know this because he began acting strangely when the teacher started asking where Alvin and Elijah went.

7. The teacher probably will not believe Alvin and Elijah.

**Ex:** I know this because he seems pretty smart. He noticed that they were gone, and he noticed that Rodney was acting funny. Also, Alvin and Elijah are carrying around a basketball.

8. Tony realizes that he doesn't have his car keys.

**Ex:** I know this because he is checking his pockets over and over again and he can't get into his car.

9. Tony sees his keys on the passenger seat.

**Ex:** I know this because he stops looking for them after he sees them on the seat.

10. Tony is going to call for help. He will probably contact a locksmith, the police, or someone he knows with a spare key.

**Ex:** I know this because he is locked out of his car and he probably wants to take his new stuff home.
