Mc: Laponte-karr L. Ann Marie, 2015-05-09 When Patches moves into Rich's apartment to heal from a gang attack he became the LaPonte's. Rich came home from the military and they've been together ever since. They vacation work and bed women together. When it starts getting old they decide to man up and actively search for their perfect woman. They never dreamed she'd fall in their laps or that she'd have so much baggage. Tess was a preacher's daughter with visions that had her God-fearing parents keep her away from the congregation and town. With very little outside contact and only two friends she was homeschooled and hidden for most of her life. When a group of Outlaws finds their church they find a 16-year-old Tess. She is one of the lucky ones that made it out alive with her family and friends killed or sold. She is back to being hidden. This time as a slave for the outlaws. The yearly biker rally brings Tess out in the open where she sees one of the men from her visions. From the moment their eyes meet she belongs to him. At home keeping Patches' insecurities from interfering with the relationship is a challenge. Helping Tess catch up to all she's missed and learn what normal is in the MC is another challenge that has Rich looking for advice. Pres helps where he can and gives some insight into what Patches is missing and why.

Spark of Hope Kathleen Kelly, 2020-12-14 My woman has been taken. As President of the Loyal Rebels MC I look out for a lot of people. Lola has never been one of them. She's always taken care of herself. I've never officially claimed her. Everyone knows Lola is mine and no one touches what's mine. She's been with me for four years but Lola has secrets. Ones I never even thought to ask her about. Now we are in a race against time to rescue her. Will we find her or will the secrets she's kept destroy her and the life we've built together? Lola is my tether to this world, my hope for a better one. She's strong, willful, and I thought she loved me unconditionally. With her troubled family and a drug cartel surrounding us, I hope the MC, our relationship, and Lola survive. The Loyal Rebels and my five brothers are with me, but our enemy is unclear. We must find Lola and protect our own or all hope will be lost. From International Bestselling Author Kathleen Kelly comes book three in her MacKenny Brothers series.
