Episode 1302 Part 1 Answers

Frederick K. Lang

Episode 1302 Part 1 Answers:

The Battle of the Golden Spurs (Courtrai, 11 July 1302) J. F. Verbruggen, 2002 Flemish townspeople defeat the cream of French nobility and explode the myth of knightly invincibility for ever Discussion of bias in sources and difficulties of interpretation preface careful account of what actually happened during the three hour battle On 11 July 1302 below the town walls of Courtrai the most splendid army of knights in Christendom the flower of the French nobility was utterly defeated by Flemish rebels common workers and peasants The French knights products of a lifetime s training were ably led but so too were the Courtrai townspeople in addition to being well armed and their victory despite their lack of military skills and golden spurs put an end to the enduring myth of the invincibility of the knight A French explanation of the terrible defeat was immediately given intended to save the honour and pride of the French nobility in Flanders the victory was glorified as a just reward for the bravery of the townsmen and the competence of their commanders Unfortunately there were no impartial witnesses Any account of the battle must therefore pay careful attention to the personalities of the chroniclers their nationality and their political and social leanings as well as their personal sympathies Verbruggen s study is prefaced by discussion of the problems of reconstruction and extensive consideration of the sources showing the difficulties faced by medieval military historians in attempts to interpret them He then offers his own account of the events of that dramatic day a case study in the reconstruction of events in one of the greatest battles of the middle ages J F VERBRUGGEN lectured at the Royal Military School in Brussels and then taught in Africa retiring as Professor of History University of Congo and University of Bujumbura Burundi He is also the author of The Art of Warfare in Western Europe Originally published in Dutch in 1954 translated and updated

Ulysses and the Irish God Frederick K. Lang, 1993 This is the most comprehensive and original of the studies dealing with Joyce's response to the idea of God accepted in Ireland and to the sacred images and rituals prevalent there It shows how in *Ulysses* he undermines and exploits the crucial elements of his rejected faith how he recalls the omnipotent Father to reveal his artistic powers the incarnated Son to celebrate his own human images and the consecrated host to imply his hidden spiritual presence Frederick K Lang has closely analyzed both Joyce's texts and his sources including important sources previously unidentified First he reveals that Joyce's transubstantiation of theology and liturgy in *Ulysses* is foreshadowed in his first short story There by setting the Latin Mass in an Irish home Joyce casts doubt upon the Church's ability to transform matter and in his revised version of the story he casts further doubt by including parallels with the Greek liturgy a rite he regarded as subversive of the Latin Mass Next Lang reinterprets Joyce's theory of literary art in light of its specific origins in Aquinas and the New Testament and in doing so he reveals the precise meaning of the term epiphany He proceeds to demonstrate that the earlier theory including the concept of epiphany underlies the Hamlet theory and that the famous reference to love is linked to God's narcissism and creativity How the literary artist resembles God is implied not only in the Hamlet theory but in the references to orthodox and heretical views of the Father-Son relation and the Eucharist views that explain Joyce's reincarnation as both Stephen Dedalus and Leopold Bloom In *Ulysses* the word reincarnation has an additional meaning Not only does Joyce's soul assume new flesh but so does the Word of God Along with the feast of Christ celebrated in Ireland on 16 June 1904 the novel assimilates first the Mass then the black mass and finally the Good Friday liturgy At the end of *Ulysses* Molly Bloom emerges as the genuine christine prophesied on the first page Joyce's offering of her body blood and water evokes both the Crucifixion and the Eucharist and thus makes flesh a Gospel read in Irish churches on the day he chose as Bloomsday This book is lucid and provocative Free of theory and jargon it not only gives Joyce scholars fresh information and new interpretations but would interest and enlighten any reader of *Ulysses*
