Indesigncssdk Getting Started Guide:

Getting Started With InDesign Scott La Counte, Create documents like never before Adobe InDesign is arguably one of Adobe's more underappreciated programs. Many people have gotten used to creating brochures and books using Word and Pages. If you are a professional who cares about design, then there is no greater tool for creating a document than InDesign. This book is intended to get you started so you can understand what all the important features are and how to use them. You'll learn how to Use menus Change colors Arrange images shapes and text Create spreads Create columns Perform wraps Export to different file types And much more. This book isn't comprehensive; the goal is to get you up and running as quickly as possible. Note: this book is not endorsed by Adobe Inc and should be considered unofficial.
