Lentil Salad With Valdeon Blue Cheese Recipe:

Made in Spain José Andrés, 2012-07-24 Americans have fallen in love with Spanish food in recent years and no one has done more to play matchmaker than the award winning chef José Andrés. In this irresistible companion volume to his public television show *Made in Spain*, José reminds us in the most alluring and delicious way that the food of his native Spain is as varied and inventive as any of the world's great cuisines. To prove it, José takes us on a flavorful tour of his beloved homeland from Andalucía to Aragón. Along the way he shares recipes that reflect not just local traditions but also the heart and soul of Spain's distinctive cooking. In the Basque Country we discover great fish dishes and the haute cuisine of some of the finest restaurants in the world. In Cantabria famous for its dairy products we find wonderful artisanal cheeses. In Valencia we learn why the secret to unforgettable paella is all in the rice. And in Castilla-La Mancha José shows us the land of the great Don Quixote where a magical flower produces precious saffron. The dishes of *Made in Spain* show the diversity of Spanish cooking today as it is prepared in homes and restaurants from north to south from casual soups and sandwiches to soul warming dishes of long simmered beans and artfully composed salads. Many dishes showcase the fine Spanish products that are now widely available across America. Many more are prepared with the regular ingredients available in any good supermarket. With more than one hundred simple straightforward recipes that beautifully capture the flavors and essence of Spanish cooking, *Made in Spain* is an indispensable addition to any cookbook collection.

Boqueria Yann de Rochefort, Zack Bezunarte, Marc Vidal, 2018-05-01 A sublime collection of traditional Spanish and Tapas recipes, *Boqueria* captures the soul of Spanish cuisine. James Beard Award winning chef and cookbook author Alfred Portale. For over a decade New York City's famed *Boqueria* restaurants have been distilling the energy, atmosphere, and flavors of Barcelona, becoming a place where patrons share excellent wine and exquisite dishes. From traditional tapas like crispy patatas bravas and bacon wrapped dates to classic favorites like garlicky sautéed shrimp, pork meatballs, and saffron spiced seafood paella, *Boqueria* captures the very best of Spanish cuisine. For this sumptuous cookbook, restaurateur Yann de Rochefort and Executive Chef Marc Vidal tell the story of *Boqueria*, which has now spread to four New York City locations as well as to Washington, D.C. While the recipes are deeply rooted in Barcelona's culinary culture, they take center stage with phenomenal food photography. *Boqueria* also swings open the kitchen doors to reveal the bustling life of the restaurant and offers exciting glimpses of the locales that inspire it: the bars, markets, and cervecerías of Barcelona. Transporting us to the busy, colorful stalls of legendary fresh market La Boqueria, these portraits of the Spanish city are so vibrant that you can almost smell the Mediterranean's salt air. *Boqueria*'s recipes are delectable variations on authentic Barcelona fare, but more than that, along with their origin stories, these recipes inspire a bit of the *Boqueria* experience: the cooking, the conversations, and the connections in your own home.
