Leo Hoggett Sweeting Company Accounting:

Issues in Financial Accounting Scott Henderson, Graham Peirson, Kathy Herbohn, Bryan Howieson, 2015-05-20 *Issues in Financial Accounting* addresses the controversial issues in financial accounting that have been debated by the preparers users auditors and regulators of financial statements Henderson provides the best balance of technical and theoretical coverage in any Financial Accounting text on the market today with its presentation of real world examples current debates and the underlying rationale for the accounting concepts demonstrated Throughout the text academic studies and professional accounting research are referenced to also provide a critical understanding of historical debates in financial accounting The new 15th edition covers significant recent developments to the accounting standards in Australia and is based on the AASB standards and interpretations that have been issued up to the end of 2012 This includes the Australian Accounting Standard Board s AASB program of changes to make accounting standards equivalent to International Financial Reporting Standards

Performance Management in Nonprofit Organizations Zahirul Hoque, Lee Parker, 2014-10-10 With increased competition for external funding technological advancement and public expectations for transparency not for profit and non governmental organizations are facing new challenges and pressures While research has explored the roles of accounting accountability and performance management in nonprofit organizations we still lack evidence on the best practices these organizations implement in the areas of accountability and performance management This book collects and presents that evidence for the first time offering insights to help nonprofits face these new challenges head on *Performance Management in Nonprofit Organizations* focuses on both conventional and contemporary issues facing nonprofits presenting evidence based insights from leading scholars in the field Chapters examine the design implementation and working of accounting accountability governance and performance management measures providing both retrospective and contemporary views as well as critical commentaries on accounting and performance related issues in nonprofit organizations The book s contributors also offer critical commentaries on the changing role of accounting and performance management in this sector This research based collection is an interesting and useful read for academics practitioners students and consultants in nonprofit organizations and is highly accessible to accounting and non accounting audiences alike

Real Property in Australia Michael J. Hefferan, 2020-08-17 Real property in the form of investment ownership and use pervades almost every aspect of daily lives and represents over 40% of Australia s wealth Such assets do not exist in isolation they are dynamic and forever evolving impacted by a range of physical economic demographic legal and other forces Consequently a true appreciation of individual assets and of the property sector as a whole demands an understanding of both the assets themselves and the context and markets in which they exist The sector is complex and on the face of it confusing It is however not without logic and underlying themes and principles This book provides a wider understanding of how the real property sector works It covers topics such as the nature of real property and its functions economic drivers

valuation principles legal and tenure parameters property taxation land development and subdivision asset and property management and sustainability all critical components in this complex and critically important sector It provides a wide and balanced perspective for experienced practitioners investors students and anyone involved in property decision making or wishing to secure a deeper understanding of these areas The book integrates research based theory with practical application and first hand insights into a sector that underpins the Australian economy its communities and its sustainability
