## Episode Guide Towelie:

Blame Canada! Toni Johnson-Woods, 2007-03-30 Satirically edgier than The Simpsons South Park responds immediately to cultural controversies and has no fear in tackling subjects like Terri Schiavo The Passion of The Christ and Michael Jackson while co-opting disparate elements such as Kill Bill and Janet Jackson's nipple into one episode Its mixture of iconoclasm cultural referents and intertextuality makes it the perfect lens through which to examine contemporary popular culture in America and television's role in the creation of that culture Blame Canada is a smart readable book that will appeal to the show's many fans as much as to scholars and researchers of contemporary television *Taking South Park Seriously* Jeffrey Andrew Weinstock, 2008-09-11 Collection of scholarly essays on the wildly popular Comedy Central show *South Park FAQ* Dave Thompson, 2014-08-01 There are few modern animated television shows that could survive over a decade and a half and remain as funny or as stupid or as sick or as depraved today as when they started Even fewer can claim to cater to mature audiences while their critics complain that everything about the show is immature And fewer still where for the first decade or so one of the main characters was killed off every week Then returned no worse for wear seven days later That however is the world of South Park and this is a book about that world A journey through the lives times and catastrophes that have established the tiny mountain town of South Park Colorado as America's favorite dysfunctional community A voyage into a universe where Barbra Streisand is reborn as a Japanese monster movie where Kentucky Fried Chicken is a registered drug where Canada is forever on a footing for war and where we discover that even feces love Christmas From Zebulon Pike to Chef from Brian Boitano to Mel Gibson from Super Best Friends to South Park Bigger Longer Uncut it's all covered in South Park FAQ Featuring A-Z coverage of the all the characters readers have come to know and the stories behind the episodes it also includes an episode guide and an appendix of all of the songs featured in South Park Nothing is sacred and nobody is safe Even physical and emotional disabilities are just another banana skin for someone to slip on and the term politically correct has been translated into oh good you're getting annoyed It is a place where you get the picture This is not Bambi **Chemical Dependency Counseling** Robert R.
