## **Encouragement For Senior Citizens:**

**Aging , Senior Outreach** Dr. Dewey E. Painter Sr.,2020-02-20 Senior citizens continue to be a forgotten frontier in evangelism and local church outreach today When I first wrote this guide in 1982 it was the product of starting seventeen senior citizens outreach programs in local churches in Northeast Florida and Southeast Georgia The vision to see more churches see the value of reaching their senior citizens and providing a faith based fellowship for them was our inspiration then and remains now that local churches see a vision for these special people Sad to say this is not the case Having a senior citizens program in the local church can be one of the least expensive and most meaningful outreach of the local church or community association It requires space little funding a dedicated leader and volunteers and it can be one of the least costly programs that can be put on by the local church It is easy to do and easy to manage The need for a direct and specific program orientated toward seniors in the local church has never been greater than it is today People are living longer This is every growing field that truly is white unto harvest With the changes in our society increased life expectancy increase in birth control and now the wholesale slaughter of unwanted children called abortion and sometimes birth killing we are seeing the senior citizen population increasing Daily Words of Encouragement to Live By Dr. Jim Bostic Th.

DS.,2013-01-03 Life for many people does not offer much to be celebrated Finances are tight relationships have gone badly health concerns have risen children are becoming unmanageable and it has caused many people to feel defeated The Daily Words of Encouragement will lift the broken hearted give hope to the hopeless and bring healing for your soul
