The background of the cover features a photograph of laboratory glassware. In the foreground, a large beaker on the left contains a red liquid. In the center, a round-bottom flask contains an orange liquid with a white foam layer on top. To the right, a smaller beaker contains a green liquid. Each piece of glassware has a glass rod or stirrer inserted into it. Wisps of white steam or smoke are rising from the liquids, particularly from the orange liquid in the flask. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
