

UPK Player

When the Player opens, the Playback Mode will appear in the upper right-hand corner.

Select the desired file, module and topic and then select the desired Playback Mode.

Playback Modes

The first three modes require that the user select the Topic in the Outline to be viewed. The fourth mode automatically opens a Topic in the topic module if it exists:

The **See It** Mode - automatically takes the user through the lesson showing future explorations of the actions.

The **Try It** Mode - allows the user to progress through the lesson with suggestions of each step.

The **Know It** Mode - allows the user to progress through the lesson under one of four modes selected for assessment. The lesson does not have to be completed, if desired, and that no score is given for the work done. Otherwise, a score will be recorded in the Testing Center.

The **Do It** Mode - accessed from a Help link in the Oracle Application window, this Do It Page will open on top of the application and lead the user through the process step-by-step.
